WHEREAS, due to significant volatility and the potential for price increases in the wholesale natural gas market, Participating Members will preauthorize the Lead Agency to award contracts for Natural Gas Supply Service in each service territory to one or more natural gas suppliers that submits bids which are reasonably forecasted to provide estimated savings to the Participating Member based upon its previous natural gas usage and utility provided Basic Gas Supply Service rates; and

FURTHER RESOLVED that ACES is authorized to continue to bid to obtain natural gas services at any time during the Effective Period on behalf of the ACES Cooperative Pricing System including, for example, a rebid if energy market conditions do not initially lead to a successful bid, on additional dates to be determined by the Lead Agency; and

FURTHER RESOLVED that this Resolution shall take effect immediately upon passage. The authorization provided to the NJSBA pursuant to the Local Public Contracts Laws (N.J.S.A. 40A:11-11(5)), and the Local Public and Public School Contracts Laws Administrative Code (N.J.A.C. 5:34-7.1 et seq.) shall be valid until May, 2023 (the Effective Period) at which time the Cooperative Pricing System will be subject to renewal.
