- To provide the Board with the content that was presented during session two of our Ambassador program on Wednesday, December 6th from 6:00 – 7:30 pm in the Pasco High School Library.

Session Two Agenda

- Welcome
- Safety & Security
- Break & Tour
- Capital Updates
- Questions?

Pasco School District 101
**Ambassador
Program**

Safety & Security

About Our District

- Our students and staff's safety and security are our number one priority. Our continuing goal is to provide our 19,000 students with a healthy learning environment during and after school.

Physical Security

Building Design & Security

- Cameras
- Keyless entry to all buildings controlled by badges
- Limited entrances and access to buildings
- Security vestibules and access controls for visitor management
- Lockdown/lockout emergency alert buttons
- 911 alert system

Building Design & Security

- Inside door locking device
- Peepholes in doors without a window
- Completely fenced elementary schools
- Radios are supplied to all schools
- Busses are equipped with a camera and tracking system

Partnership with PPD

- The Pasco Police Department:
 - Co-created and supported delivery of training of staff who provide visitor management using Security Foyers and Access Controls
 - Has maps, key cards, and keys for all district facilities
 - Provides Active Shooter Training for staff

School Resource Officers

- Employees from the Pasco Police Department who promote lawful behavior and protect the welfare of our middle and high school students and staff.
- Their consistent presence allows them to understand the rhythms of the building while developing strong relationships with students.

Emergency Management Partnerships

Training

Emergency Response Systems

- Incident Command System (ICS)
 - Standardized incident management approach
- Common terminology and functions across jurisdictions
- Tabletop drills with first responders and Franklin County Emergency Management

Emergency Drills

- PSD conducts required emergency drills in our schools once a month while school is in session.
- Students and staff routinely practice four basic functional threat or hazard responses pertaining to:
 - Shelter-in-place
 - Lockdown/Lockout
 - Evacuation
 - Earthquake

Training for Staff

- School staff are trained on:
 - Visitor management
 - Access to control procedures
 - Crisis Response Training with the Pasco Police
 - Online safety training offered through Vector Solutions

Report a Concern

See Something, Say Something

REPORT A SAFETY CONCERN

IF YOU SEE SOMETHING, SAY SOMETHING

Call 9-1-1 if you are in immediate danger, if your tip is about an emergency, or if you see suspicious activity!

Vector Alert is the District's tip reporting system that allows students, parents, staff and community members to confidentially submit concerns regarding safety, harassment, intimidation, and bullying to district administration. *Reports may be submitted anonymously.*

BEFORE submitting a tip, please see our [Who to Contact](#) page for simple guidance on who to contact with questions, concerns, or positive feedback regarding your child, your child's school, or the district.

You can [submit online](#) through the SafeSchools Alert website.

You can submit via phone by either texting or calling [\(509\) 956-4580](#).

You can submit via email by sending a message to 1485@alert1.us.

Break & Tour
