2017

## UNION FREE SCHOOL DISTRICT NEWSLETTER

### Emergency “Go Home” Drill

On **Tuesday, November 21**, an Emergency Go Home Drill will be conducted at every school within our Oneida-Herkimer-Madison BOCES area. New York State Education Law requires that we hold this drill each year at least 15 minutes before the normal dismissal time. The purpose of the drill is to prepare students, staff and parents for an emergency that would require us to immediately send all students home. The fastest way to evacuate the building and safely transport students home (or to an alternate safe location) is via our school buses.

You and your child should have a set plan for a safe drop-off within the school district if we need to send all students home in an emergency.

*Continued on Page 2*

### BOE Meeting Dates

Tuesday, December 5, 2017

Tuesday, January 2, 2018

Tuesday, February 6, 2018

Tuesday, March 6, 2018: Budget Workshop

Tuesday, March 20, 2018: Budget Workshop

Tuesday, April 3, 2018

Tuesday, April 17, 2018: Vote for BOCES Budget & Board Members

Tuesday, May 1, 2018: Public Budget Hearing

Tuesday, May 15, 2018: Budget Vote and Board Election

(Noon – 9:00 p.m.)

Tuesday, June 5, 2018

### Annual Turkey Trot Saturday, November 18

Please join us for our annual pre-Thanksgiving Turkey Trot. Every finisher receives a ribbon. Thanks to our Optimist Club and our PTO, there are also prizes awarded to New York Mills School District students and alumni. Refreshments are available as well, for participants and their families. This event will take place regardless of the weather conditions!

- 9:30 a.m. Pick up your running TAG in the school lobby.
- 9:50 a.m. Tots Run (1/4 mile) - A fun-run on the track for any small child who wants to receive a ribbon.
- 10:00 a.m. Elementary Run (1 mile) - open to all elementary students living within the NYM School District as well as children and grandchildren of school staff.
- 10:20 a.m. High School - Old Timers Run (1 mile) - open to all high school students, alumni, school staff, parents, and residents of the district.
- 11:00 a.m. Presentation of Awards in the gym.

We hope to see you there on Saturday, November 18 at 9:30 a.m. to kick off our 2017 holiday season with the New York Mills UFSD Turkey Trot!

**All meetings will be held at 6:30 p.m. in the School Cafeteria unless otherwise noted**

# Grades 7-11 Students of the Month

Students are chosen using the following criteria:

1. Academic effort
2. Positive attitude
3. Respectful behavior
4. School involvement
5. Community involvement

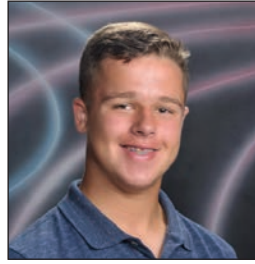

## September 2017

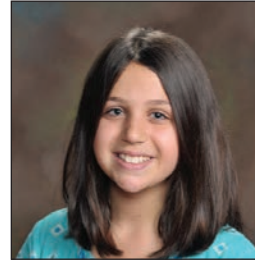

Angela Chen  
Grade 11

Alexis Gyore  
Grade 10

Derek Baur  
Grade 9

Ariellah Bova  
Grade 8

Julie Roberts  
Grade 7

## October 2017

McKenzie Keator  
Grade 11

Kiley Lyons  
Grade 10

Aryana Thomas  
Grade 9

Noah Diskin  
Grade 8

Hailey Cornish  
Grade 7

## Superintendent's Message

Dear Parents and Guardians,

The fall has been flying by! By the time you read this newsletter, the first marking period will have closed. Regardless of the classrooms that I am in, student learning is at the heart of each classroom. I see it through discussions and research and projects. There is much for us to be proud of!

This newsletter is filled with pictures and articles that showcase our students. From field trips to student of the month, the snapshot provided by the newsletter supports the importance of learning experiences that allows students to apply the learnings from the classroom. With that, you will see an "ad" in this newsletter that asks if you have a talent to share with students or time to work with one or two students assisting with homework or reading and math skills. Our students benefit when they can read with someone new, or share in learning a new skill.

Respectfully,

Joanne Shelmidine, Ed.D.

Superintendent of Schools

## Emergency "Go Home" Drill *(continued from cover)*

Please talk to your child about your plan before Tuesday, November 21, so that there is no confusion on that afternoon.

Also, for grades K-6 students, it is important to send a revised "Emergency School Closing Plan" to school if your emergency drop-off location has changed. **There will be no parent pick-ups from school during this drill.** In a true emergency, parent pick-ups would not be possible in most cases. The following is the schedule for this year's drill:

**1:55 p.m.** - Grades 7-12 students and staff will evacuate the building. All grades 7-12 students will board buses at that time. No parent pick-ups will be accommodated on November 21. Students scheduled for after-school activities may **remain on their bus** and will be returned to school after the drill concludes.

**2:45 p.m.** - Grades K-6 students and staff will evacuate the building. All grades K-6 students will board buses at that time. No parent pick-ups will be accommodated on November 21 and there will be **no K-6 YMCA Child Care Program** that day.

Thank you for your assistance with our annual Emergency Go Home Drill. We anticipate a smooth and speedy dismissal on Tuesday, November 21. Please feel free to call your child's school office if you have questions or concerns. There will be no school on November 22-24 due to the Thanksgiving break.

## Optimist Student of the Month

# September

Nicholas Briggs-Ellenberger, a member of the New York Mills Jr/Sr High School Class of 2018, has been named the New York Mills Optimist Youth of the Month for September. Nick is the son of Ann Briggs of New York Mills and David Ellenberger of Oriskany.

Nick has consistently earned a place on our honor roll or high honor roll and has been named Student of the Month each year since 9th grade. He was inducted into our chapter of the National Junior Honor Society in 8th grade and the National Honor Society last spring and serves as co-president of the latter organization. As a junior he was awarded scholarships to the University of Rochester and Keuka College.

Nick is an accomplished athlete. As a 9th grader he was a starter and captain for our JV basketball team. He has played on the varsity team since 10th grade and last year was named captain and Defensive Player of the Year. Nick has also started for our varsity baseball since he was a freshman and has served as captain of that team. His accolades in that sport include having been named an All-Star Honorable Mention in 9th grade, an All-Star in both 10th and 11th grades and MVP of the team last spring. He has also been named a scholar-athlete. In addition, Nick spends much time throughout the year participating in summer baseball, for which he also was named captain, including American Legion baseball for Adrean Post 625. Nick's activities are not limited to athletics as he has been elected class treasurer in grades 9-12 and has participated in volunteer activities as a member of student council. He has spent many hours tutoring underclassmen. Nick has also umpired little league games, helped prepare the little league fields, worked with younger players at a local indoor sports facility, and has held a part-time job.

Nick plans to earn his Doctorate in Physical Therapy and is participating in an internship at SPI Fitness through the Regional Program for Excellence. He wishes to play baseball in college and is considering a number of four-year colleges and universities. Nick has experienced much success throughout high school; we wish him continued success in the remainder of his senior year and in his life beyond high school.

**Nicholas Briggs-Ellenberger**

## Optimist Student of the Month

# October

The New York Mills Optimists have named Katrina Briody as the October Youth of the Month. Katrina is a member of the New York Mills Class of 2018 and is the daughter of Christine Lawendowski of New York Mills and Frank Briody of Rome.

Katrina has been named to High Honor Roll throughout high school and was inducted into our chapters of the National Junior Honor Society in 8th grade and National Honor Society in 11th grade. She is vice president of the BOCES CTE Honor Society and was recently inducted into MVCC's Lambda Beta Chapter of the Phi Beta Kappa Honor Society. In addition, she has been recognized as Student of the Month. At the conclusion of her junior year, Katrina received awards from LeMoyné College and Keuka College.

Katrina's activities are numerous and include a vast range of interest areas. She is a three-year member of our softball teams, was a cheerleader for two years and managed our JV girls basketball team as a sophomore. Her academic and athletic accomplishments resulted in her being named a scholar athlete. Katrina has sung in our chorus and worked the lights for our school musical and Mr. Marauder Pageant for multiple years. She also volunteered time to assist at our elementary musical. Katrina has attended Colgate seminar, tutors underclassmen, is a member of FFA and this past summer attended the Rotary Youth Leadership Awards conference. She plans to attend the New York State Council on Leadership and Student Activities conference in November.

Katrina has also been active outside of school. For the past two years, she has been a New York Mills Volunteer Firefighter candidate. She has also been very active within her church and has participated in events such as America's Greatest Heart Run and Walk and Paws for a Cause. Katrina also has a part-time job at a local restaurant.

Katrina wishes to become a Foreign Language Teacher. She plans to earn her Associate's Degree from MVCC and to transfer to SUNY Oswego for her Bachelor's Degree. While we will miss Katrina, we are excited about the bright future that lies ahead of her and the positive impact she is sure to make on her future students.

**Katrina Briody**

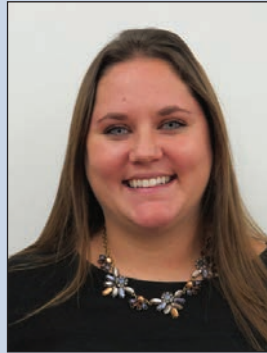

# School News

## Welcome New Employees

**Joseph Palmer,**  
*Athletic Director*

**Megan Crowley,**  
*Long-term Substitute  
Teacher*

**WHO'S THE REAL MR. DODGE?** — Mr. Dodge poses with student Carter Tallman on Halloween. Can you tell who is the real Mr. Dodge?

## Kids of Character Awards

The following grades 3-6 students were selected as September and October Kids of Character at New York Mills Elementary School. This award is given for following *The Marauder Way* on a regular basis.

### SEPTEMBER Kids of Character Awards

- Grade 3 – Andrew Tallman and Emma Decker
- Grade 4 – Skylar DesMarais and Noah Beckwith
- Grade 5 – Selen Bial and Sean Clifford
- Grade 6 – Dominick Moore and Abigail Evans

**RIBBON CUTTING CEREMONY** — New York Mills held their cafeteria ribbon cutting ceremony on October 3.

## Mr. Eramo Selected as Mohawk Valley Master Teacher

Michael Eramo has been selected as one of the Mohawk Valley regions 23 new Master Teachers. The New York State Master Teacher Program celebrates the work of the highest-performing STEM teachers by establishing an expert community dedicated to developing expertise in the areas of content, pedagogy, and students' families and communities. Mr. Eramo, New York Mills 8th grade science and physics teacher, is the third New York Mills teacher to be selected for the program and will join current Master Teachers, Sarah Gates and Audrey Foote.

## 7th Grade Science Stream Ecology Project

Seventh grade science students in Miss Foote's class have been working with the Onondaga Environmental Institute to study the health of the Mohawk River watershed. Once a week, Ms. Amy Samuels and Dr. Stephanie Johnson visit science classes to teach students about watersheds, their importance, and how to assess stream and river health. On October 10, science students visited four streams and learned how to visually conduct water quality tests and collect macro invertebrates, which they later identified at school. At the conclusion of this project, students will have an understanding of how ecologists monitor stream and watershed health, as well as how ecologists can restore the health of these bodies of water.

## Students Visit Munson-Williams

Late in September, the junior class and students from the Modern American Society class visited Munson-Williams Art Institute to see the exhibit "Roaring into the Future: A look at New York from 1925-1930." The exhibit connects to literature being taught and the time periods that are discussed in each class. Students were divided into several groups and given a walking tour of the exhibit. They were able to see items and products that were created in our state during this timeframe, and learn about how our area was developing in the early 1920s-1930s. The tour guides also discussed historical and societal events that affected our nation during those years.

## Curling

Regents Chemistry students had the opportunity to earn some extra credit by trying something slightly different ... curling! Chemistry students learned how to deliver a stone and sweep at the Utica Curling Club in early October. Perhaps we will see some of them on the ice in Beijing in 2022!

## All for One, and One for All

On October 3, Ms. Viel's freshmen and Mrs. Hartmann's creative writing students traveled to Syracuse Stage to see the swashbuckling spectacular *The Three Musketeers*. Students enjoyed learning about Alexandre Dumas' classic tale of intrigue, adventure, and romance. Aside from the varying plotlines within the story, the students learned the symbolic nature of the number three in literature. Hence, things that come in threes are naturally funnier, more satisfying, or more effective than other numbers of things. A series of three is often used to create a progression in which the tension is created, then built up, and finally released (such as in "The Three Little Pigs" or "Goldilocks and the Three Bears"). The student feedback from seeing live theater was sheer excitement and positivity.

# Winter Sports Schedules

Please note that these schedules are subject to change at a moment's notice.

## BOYS VARSITY BASKETBALL

Day	Date	Location	Opponent	Time
Tues.	12/5	Away	Oriskany	7:00 p.m.
Fri.	12/8	Home	Morrisville-Eaton	7:00 p.m.
Tues.	12/12	Away	Owen D. Young	7:00 p.m.
Fri.	12/15	Away	Poland	7:00 p.m.
Tues.	12/19	Home	Remsen	7:00 p.m.
Fri.	12/22	Away	Hamilton	7:00 p.m.
Fri.	1/5	Home	Town of Webb	7:00 p.m.
Mon.	1/8	Home	Oriskany	7:00 p.m.
Thur.	1/11	Away	Morrisville-Eaton	7:00 p.m.

## Athletic Boosters

The New York Mills Athletic Booster Club is off to a great start this school year! We are currently selling Basketball Raffle tickets for two premium basketball seats for the 2017-2018 season for all Boys and Girls Basketball games and paid entry fee to those games. Tickets are \$10 dollars and the drawing is November 22.

We are currently selling NYM lanyards for \$6. Look for those at winter sporting events.

We will once again be raffling a basket off during the basketball games this year! Look for our table at the games and get your ticket to win this awesome basket!

As always, we welcome new members. We meet the first Wednesday of the month at 6:30.

Mark your calendars for the 4th Annual New York Mills Athletic Booster Club Golf Tournament on August 4, 2018.

Go Marauders!

---

---

## Announcements

### Student Attendance

An area that can determine student success is attendance. Students who miss school miss the conversations surrounding the topics taught. Students who miss 10% of school days are considered by the state education department as chronically absent. Students who are chronically absent in the elementary school are less likely to be able to read at grade level. Chronic absence in the middle school is an early indicator of academic struggles and in the high school it can be a better indicator than test scores of student struggles. Doing make up work, although important, does not begin to capture the discussions, and explanations offered in class. Please try not to schedule vacations, etc. when school is in session. When children miss school they miss out and we miss them!

### PTSO News

The New York Mills 40th Annual Craft Show will be held at the school on December 2 and 3 this year from 10:00AM-4:00PM. Admission is \$3.

The craft fair is well known for having an incredible variety of gourmet foods, jewelry, handcrafted soaps and lotions, pottery, paintings, photography and so much more. There are over 100 vendors confirmed so far, and lots of new ones on the list. This is one show you don't want to miss for great holiday decorations and gift ideas. This event is not possible without having enough volunteers each year. Please go to the sign up genius account to sign up to work in one of the many needed areas throughout the weekend! The link can be found on the PTSO Facebook page, or you can just type the link in which is <http://www.signupgenius.com/go/20f0f45a8ab2aaaf49-newyork>

The PTSO would like to thank you in advance and the PTSO meets the second Wednesday of every month at 6:30 and we would love to have new members attend!

*Calling All  
Volunteers!*

Do you have a talent that you would love to share with students? Do you have time to volunteer to tutor or help students with homework or classwork? Would you be willing to be a reading buddy for students? If the answer to any of this is yes, please contact one of the principals, or the superintendent.

**December 8**

#### Meal includes:

Half a BBQ chicken, baked potato, coleslaw,  
roll, butter and utensils  
**\$12**

Tickets will go on sale beginning **November 20**  
Pre-sale tickets only will be available for this  
year's event.

Tickets will be available through any chorus member,  
Mrs. Lovecchio, Mr. Shelton and the attendance  
office at the school from November 20 through  
3 p.m. December 7.

Proceeds go toward the 7-12 grade chorus and band members  
and their performance at Six Flags.

## It's Right Around the Corner - Breakfast with Santa!

Mark your calendars for Student Council's Annual  
Breakfast with Santa on Saturday, December 16. The  
student council members have already been in contact  
with the North Pole and are planning on making this year's  
holiday celebration that much merrier.

Breakfast with Santa will be hosted from 9:00-11:00 a.m. in our school's  
new cafeteria. There will be pancakes, French toast stixs, and sausage  
to eat, along with lots of fun to satisfy all. The elves will be waiting to  
serve you and we can't wait to spread holiday cheer!

Children ages twelve and under are \$5.00, while a large breakfast is  
\$9.00. Presale tickets will be sold at future NYM school events. Feel  
free to contact Ms. Viel to order your breakfast tickets ahead of time at  
[aviel@newyorkmills.org](mailto:aviel@newyorkmills.org)

## Save the Date

**April 15, 2018**

The New York Mills  
Music Department and  
STUCO will be bringing the  
first ever  
New York Mills

Details about the run will be available closer to the event date.
