**Reviewed: September 2023 and to be reviewed October 2024**

**Responsible Member of Staff: Jonathon Anderson**

**Responsible Governor: Nimble Thompson**

# **AYSGARTH SCHOOL RECRUITMENT POLICY**

## **Purpose of the Recruitment Policy**

The purpose of this policy is to ensure that those recruited to work for Aysgarth School are:

- Suitable for the posts for which they are taken on
- Safe to work with children
- Have evidence of the appropriate qualifications

This policy is part of the School's overall Safeguarding Policy which aims to ensure that the School complies with the various standards and regulations, in particular 'Keeping Children Safe in Education' (2023) and 'Working Together to Safeguard Children' 2015, as amended in February 2017 and July 2018.

The most important factors in the success of the school are the quality and suitability of the staff employed, whether it is in a teaching capacity, pastoral, catering, cleaning, administrative or any other capacity. This policy sets out the procedures that are to be followed when recruiting new staff.

Those in management roles at Aysgarth will not knowingly employ (or take on as a volunteer) someone who is barred from working with children by the Disclosure and Barring Service (DBS). In addition, we will not knowingly employ anyone who would be working at the School in contravention of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction (Not prohibited under Section 128 provisions). A section 128 direction prohibits or restricts a person from taking part in the management of the school.

Any person who is prohibited from teaching and/or management will not be appointed at Aysgarth School.

## **Scope of the policy**

This policy applies to all staff who will be employed by Aysgarth whether working in the Prep or Pre-Prep, including EYFS. It applies to those who:

- work directly with children
- are likely to have contact with children in a regulated activity
- live or work on the premises in which child care is provided (unless the work is not in the part of the premises where childcare takes place or is not at times when children are present).

It also includes governors, volunteers, external contractors who work regularly in the School. The types of individual are broken into three categories:

Category 1 (includes all staff in Regulated Activity) plus other permanent staff

- Teachers
- Pastoral staff

- GAP students
- Cleaners
- Administrative staff
- Maintenance and Grounds staff
- Peripatetic Staff
- Cooks and Kitchen Assistants – these are recruited by CWC

#### Category 2

- Regular contractors
- Family members of individuals who are over 16 years old and live on the school site
- Agency staff working in the kitchens or as cleaners on a temporary basis
- Volunteers, such as parents, who are regularly helping out with school activities and may be unsupervised

#### Category 3

- Governors

Any **visiting speakers**, whether invited by staff or by the pupils themselves will be suitable and appropriately supervised. Checks on visiting speakers will be recorded on the SCR.

Those in Category 2 & 3 and Volunteers and Supply Staff are not required to undergo the full range of checks specified, and are covered by the Recruitment Procedures for Category 2 and 3.

## **Recruitment Procedures for Category 1**

When the above Category 1 posts are filled, the following steps must be followed:

- 1. Disclosure and Barring Service checks** (including any historic GTCE sanctions and restrictions)

Enhanced disclosures and Children's Barred List checks should be obtained for all staff (including peripatetic teaching staff) from the Disclosure and Barring Service (DBS) as soon as possible after the appointment is made, making allowance for the fact that the validity of a DBS check is 3 months.

These appointments should be made conditional on receipt of a satisfactory disclosure. Any individual for whom an enhanced disclosure is required should only be allowed to start working before the disclosure is received at the Headmaster's discretion and when particular precautions have been taken (see (b) below.).

- a. In the event that the DBS disclosure indicates that a candidate has been convicted of any offence which indicates that they may be unsuitable either to work with or to have regular contact with children they will not be employed. If there is other relevant information of concern, they may not be employed, at the discretion of the Headmaster.
- b. Occasionally, it is not possible to await the return of DBS disclosures before an individual is due to start work. In such instances, Children's Barred List checks and prohibition/disqualification checks will be made and the Headmaster will complete a risk assessment to identify ways of mitigating the risks identified. This will include ensuring that the individual is not alone with children or is loosely supervised and that these arrangements are reviewed at no more than two-weekly intervals. In these situations, a note should be made on the Single Central Register of Appointments.
- c. Checks should include whether a candidate is the subject of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction on their right to work with children; and prohibition from management.

## **2. Check of identity**

These are made against an official document such as a passport, a driving licence, or a birth certificate. Photographic identity should be included, together with evidence of address (for example, a utility bill, bank statement or similar).

## **3. Right to work in the UK**

Checks will be made that the individual has a right to work in the UK.

## **4. Written References**

At least two suitable written references should be obtained (and verified) including one from the most recent employer. Where possible telephone references should be taken up prior to interview. Written references should cover the points mentioned in the standard form attached to this policy.

The purpose of seeking references is to obtain objective and factual information to support appointment decisions. References should be scrutinised and any concerns resolved satisfactorily, before the appointment is confirmed, including for any internal candidate.

Referees must confirm that the written reference contains no material mis-statement and that the reference is ratified by the headteacher/principal as accurate in respect to disciplinary and safeguarding investigations.

#### **5. Prohibition order checks**

Checks should include whether a candidate is the subject of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction on their right to work with children; and prohibition from management.

#### **6. Personal Interview**

A personal interview should be conducted and a written record made of the points covered and any issues raised, as well as the assessment of the interviewer.

#### **7. Verification of Qualifications**

Candidates should be required to provide evidence of any qualifications cited in their application.

#### **8. Full employment history and references**

A candidate's application should include a full employment history, with contact details to enable the school to verify that the candidate was employed by each employer. References will be taken and followed up verbally and must include the candidate's most recent employer. Any gaps in the candidate's employment history should be investigated and a record made of the explanation for those gaps.

'Soft' checks must be made on shortlisted candidates with regard to online and social media profiles. Candidates will be informed in the application process of these checks taking place.

#### **9. Contact with previous employers**

Where possible, direct contact should be made with recent employers where the work involved contact with children or vulnerable adults to check the reasons for the employment ending. Direct contact should definitely be made with the most recent employer.

## **10. Medical Fitness**

- a. Applicants should make a declaration, duly signed, that: (i) they know of no reasons, on grounds of mental or physical health, why they should not be able to discharge the responsibilities required by the post in question; (ii) they understand that any offer of employment made by the school will be conditional on verification of medical fitness.
- b. The attached questionnaire should be completed by all staff before they start their employment, and their employment may be conditional on satisfactory health.

## **11. Overseas checks**

If a candidate has lived overseas for 3 months or more in the last 5 years, then it may be appropriate to complete further checks such as police checks and agency checks in the country using the Home Office guide.

A full record with copies of relevant documents mentioned above should be maintained for each successful candidate.

The Single Central Register of Appointments will record whether these procedures have been followed for each new appointment.

## **Selection Process**

In most instances, Category 1 posts to be filled will be advertised. At the Headmaster's discretion, it may be decided that a post will not be advertised publicly, but potential internal candidates should be made aware of the opportunity.

### **Job Advertisements**

The advertisement should clearly state the school's policy with regard to Child Protection and the need for DBS checks and the school's commitment to safeguarding and promoting the welfare of children

### **Candidates' Information Pack**

Where recruitment is taking place for teaching or boarding staff, the information provided to the candidate should include:

- A Job description including the post holder's responsibility for promoting and safeguarding the welfare of pupils at the school

- A Job application form
- School information
- An Equal Opportunities Statement
- The selection procedure
- The requirement for two references including the current employer. Relatives and friends should be precluded as referees.
- The school's commitment to safeguarding children
- Child protection policy
- Whistleblowing policy

#### Job Application Form

The attached application form should be completed by applicants for all teaching, boarding and administrative roles, and may be required at the Headmaster's discretion for other roles.

#### Shortlisting for interview

Shortlisted candidates are asked to complete a staff disqualification declaration of their criminal record/information that would make them unsuitable to work with children.

For example:

- if they have a criminal history;
- whether they are included on the barred list;
- whether they are prohibited from teaching;
- whether they are prohibited from taking part in the management of an independent school;
- information about any criminal offences committed in any country in line with the law as applicable in England and Wales, not the law in their country of origin or where they were convicted;
- if they are known to the police and children's social care;
- have they been disqualified from providing childcare; and,
- any relevant overseas information.

This information will only be requested from applicants who have been shortlisted. The information will not be requested in the application form to decide who should be shortlisted.

## **Recruitment Procedures for Category 2**

When the above Category 2 posts are filled, the following steps must be followed (with reference to updates in KCSIE 2023):

### **1. Disclosure and Barring Checks**

Enhanced disclosures and Children's Barred List checks should be obtained for all staff from the Disclosure and Barring Service (DBS) as soon as possible after the appointment is made.

In addition to the staff mentioned in the scope above, disclosures should be obtained for:

- a. Family members of individuals who are over 16 years old and live on the school site.
- b. Agency staff working in the kitchens or as cleaners on a temporary basis
- c. Volunteers, such as parents, who are regularly helping out with school activities and may be unsupervised.
- d. These appointments should be made conditional on receipt of a satisfactory disclosure. Any individual for whom an enhanced disclosure is required should only be allowed to start working before the disclosure is received at the Headmaster's discretion.
- e. In the event that the DBS disclosure indicates that a candidate has been convicted of any offence which indicates that they may be unsuitable either to work with or to have regular contact with children they will not be employed. If there is other relevant information of concern, they may not be employed, at the discretion of the Headmaster and when particular precautions have been taken (see (f) below.).
- f. Occasionally, it is not possible to await the return of DBS disclosures before an individual is due to start work. In such instances, Children's Barred List and prohibition/disqualification checks will be made and the Headmaster may complete a risk assessment to identify ways of mitigating the risks identified. This may include ensuring that the individual is not alone with children or is loosely supervised and that these arrangements are reviewed at no more than two-weekly intervals. In these situations, a note should be made on the Single Central Register of Appointments.

## **2. Written References**

At least two suitable written references should be obtained (and verified) including one from the most recent employer (where possible). Where possible telephone references should be taken up prior to interview. Written references should cover the points mentioned in the standard form attached to this policy.

The purpose of seeking references is to obtain objective and factual information to support appointment decisions. References should be scrutinised and any concerns resolved satisfactorily, before the appointment is confirmed, including for any internal candidate. 'Soft' checks must be made on shortlisted candidates with regard to online and social media profiles.

## **3. Check of identity**

These are made against an official document such as a passport, a driving licence, or a birth certificate. Photographic identity should be included, together with evidence of address (for example, a utility bill, bank statement or similar).

## **4. Prohibition order check (if relevant)**

Checks should include whether a candidate is the subject of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction on their right to work with children; and prohibition from management.

## **5. Personal Interview**

A personal interview should be conducted and a written record made of the points covered and any issues raised, as well as the assessment of the interviewer.

## **6. Verification of Qualifications**

Individuals should be required to provide evidence of any relevant qualifications.

## **7. Medical Fitness**

- a. Applicants should make a declaration, duly signed, that: (i) they know of no reasons, on grounds of mental or physical health, why they should not be able to discharge the responsibilities required by

the post in question; (ii) they understand that any offer of employment made by the school will be conditional on verification of medical fitness.

- b. The attached questionnaire should be completed by all staff before they start their employment, and their employment may be conditional on satisfactory health.

### **Recruitment Procedures for Category 3**

When the above Category 3 posts are filled, the following steps must be followed:

1. **Disclosure and Barring Checks (including s128)**

Enhanced disclosures and Children's Barred List checks should be obtained for Governors from the Disclosure and Barring Service (DBS) as soon as possible after the appointment is made.

These appointments should be made conditional on receipt of a satisfactory disclosure. Any individual for whom an enhanced disclosure is required should only be allowed to start working before the disclosure is received at the Chair of Governors' discretion and when particular precautions have been taken (see (b) below.).

- a. In the event that the DBS disclosure indicates that a candidate has been convicted of any offence which indicates that they may be unsuitable either to work with or to have regular contact with children they will not be employed. If there is other relevant information of concern, they may not be employed, at the discretion of the Headmaster and Chair of Governors.
- b. Occasionally, it is not possible to await the return of DBS disclosures before an individual is due to start work. In such instances, Children's Barred List and prohibition/disqualification checks will be made and the Headmaster and Chair of Governors may complete a risk assessment to identify ways of mitigating the risks identified. In these situations, a note should be made on the Single Central Register of Appointments.
- c. Checks should include whether a candidate is the subject of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction on their right to work with children; and prohibition from management.

## **2. Check of identity**

These are made against an official document such as a passport, a driving licence or a birth certificate. Photographic identity should be included, together with evidence of address (for example, a utility bill, bank statement or similar).

'Soft' checks must be made on shortlisted candidates with regard to online and social media profiles.

### **Record keeping**

A full record with copies of relevant documents mentioned above should be maintained for each successful candidate.

The Single Central Register of Appointments will record whether these procedures have been followed for each new appointment.

### **Recruitment Criteria and discrimination**

For each post to be filled, there should be a job description which sets out the skills, qualifications and personal characteristics that are required for the job. These criteria must not include any factors that would have the effect of discriminating against candidates on the grounds of race, sex, age, disability or religious belief.

### **Recruitment from Overseas**

Overseas staff recruited since 1st September 2003 are required to have an 'enhanced' DBS check. If the DBS 'disclosure' is not considered sufficient (because the DBS check does not cover offences committed abroad, but only those on the Police National Computer), the school should obtain whatever evidence of checking is available from the person's country of origin (or any other countries in which he or she has worked) and do this before the appointment is made unless the applicant has worked in a school in England which brought him or her regularly into contact with children.

A UK national returning after working in a foreign country should be asked to obtain a certificate of good conduct from the country in question. Extra references should be requested for applicants from countries which do not provide criminal record checks. Where a teacher comes from the United Kingdom originally or has taught in the UK, the standard checks can be made for subsequent appointments.

The applicant should be asked for:

- confirmation of the right to work in the UK

- confirmation of qualifications

### **Selection Process**

A selection process should be agreed for each post. In the case of teaching staff, the selection process should include the following steps, unless otherwise agreed by the Headmaster:

- Agreement on the requirements sought for the job and the criteria for the successful candidate
- Advertisement of the opportunity (at the Headmaster's discretion)
- Establishment of a recruitment team who will be involved in selection
- Development of a selection programme.
- Interviews with the Headmaster, Senior Deputy Head, Deputy Heads and others as appropriate with at least one member of the interview panel having had safer recruitment training.
- A lesson, observed by one of the above or another suitable person designated by the Headmaster

### **Appointment Process**

Following completion of the selection process, the steps outlined under Recruitment Procedures should be followed. Once satisfactorily completed, an offer letter should be sent to the successful candidate offering them the job and outlining the principal terms and conditions that will apply.

Once the offer has been accepted by the candidate and the offer letter has been signed and returned, the candidate should be sent a contract of employment and the staff handbook relevant to their position.

The offer letter and contract should include:

- The job title and job description
- The salary and how it will be adjusted
- The probationary period
- The notice period that will apply after the probationary period
- Whether the post is pensionable, and what the contributions are by the school and the candidate.
- Any accommodation or accommodation allowance that is part of the offer
- A place for the candidate to sign and date the letter or contract and return a copy to the school.

## **Appointment of Supply Staff**

1. A person offered for supply by an employment business to the school should only begin work at the school if the school has received –
  - (i) written notification from the employment business in relation to that person –
    - (a) that the checks have been made on identity, Children's Barred List, qualifications (where relevant), overseas check, right to work in UK
    - (b) that it or another employment business has made an enhanced DBS check or has obtained an enhanced criminal record certificate in response to such a check made by it or another employment business; and
    - (c) if the employment business has obtained such a certificate before the person is due to begin work at the school, whether it disclosed any matter or information, or any information was supplied to the employment business in accordance with section 113B(6) of the Police Act 1997; and
  - (ii) a copy of any enhanced criminal record certificate obtained by an employment business before the person is due to begin work at the school, where it discloses any matter or information, or where any information was provided to the employment business in accordance with section 113B(6) of the Police Act 1997, a copy of the certificate.
  - (iii) Checks should include whether a candidate is the subject of a prohibition order, an interim prohibition order or any other disqualification, prohibition or restriction on their right to work with children.
2. A person offered for supply by an employment business only begins work at the school if the proprietor considers that the person is suitable for the work for which the person is supplied.
3. Before a person offered for supply by an employment business begins work at the school, the person's identity is checked (irrespective of any such check carried out by the employment business before the person was offered for supply)
4. The school, in the contract or other arrangements which the school makes with any employment business, requires the employment business –
  - (i) to provide the notification referred to in paragraph (1)(i); and

- (ii) if any enhanced criminal record certificate which the employment business obtains contains any matter or information, or if any information was supplied to the employment business in accordance with section 113B(6) of the Police Act 1997, to provide a copy of the certificate, in respect of any person whom the employment business supplies to the school.
- 5. A supply teacher should have a fresh disclosure every three years or earlier if there are grounds for concern or a break in service of 3 months or more.

### **Staff Induction**

The school has a separate Induction Policy with reference to safeguarding training in the school's ongoing commitment to safeguarding children.
