SY 2022-2023

Dear Parents/Guardians,

In compliance with the requirements of the Every Students Succeeds Act, the **Butler County School System** would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). Earlier this year you were notified by letter if your child's teacher is teaching out of field or with a provisional certificate; however, if you did not receive this information have the right to request the following information:

- Whether the student's teacher—

o has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
o is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
o is teaching in the field of discipline of the certification of the teacher.

- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/or paraprofessional's qualifications, please contact the principal of your child's school at numbers listed below. There are forms available in the main office of each school and on the system's website to request staff credentials.

Derecho a saber las calificaciones profesionales de los maestros y paraprofesionales

Año escolar 2022-2023

Estimados padres/tutores:

De conformidad con los requisitos de la Ley Every Students Succeeds, **El Sistema Escolar del Condado de Butler** desea informarle que puede solicitar información sobre las calificaciones profesionales de los maestros y/o paraprofesionales de su estudiante. A principios de este año, se le notificó por carta si el maestro de su hijo está enseñando fuera del campo o con un certificado provisional; sin embargo, si no recibió esta información, tiene derecho a solicitar la siguiente información:

- Si el maestro del estudiante:

o ha cumplido con los criterios de calificación y licencia del Estado para los niveles de grado y las materias en las que el maestro brinda instrucción;
o está enseñando bajo estado de emergencia u otro estado provisional a través del cual se ha renunciado a los criterios de calificación o licencia del Estado; y
o está enseñando en el campo de la disciplina de la certificación del maestro.

- Si el niño recibe servicios de paraprofesionales y, de ser así, sus calificaciones.

Si desea solicitar información sobre las calificaciones del maestro y/o paraprofesional de su hijo, comuníquese con el director de la escuela en los números que se indican a continuación. También, hay formularios disponibles en la oficina principal de cada escuela y en el sitio web del sistema para solicitar las credenciales del personal.

Atentamente,

Lisa Adair
