## **ELD (English Language Development) Services at the Saint Joseph School District**

The ELD Office is located at 1415 North 26<sup>th</sup> Street, St. Joseph, Missouri 64506. Contact us by phone at 816-671-4119 or by fax at 816-671-4464.

Our office works closely with the enrollment center to ensure all families have the support they need to register and enroll their children. We have multiple family advocates to help provide interpretive services, community resources, and cultural support for students and families who come from other countries or who speak a language other than English. Our office administers an English assessment to determine whether students qualify to participate in the ELD program. If a student qualifies, he or she will receive additional English instruction from an ELD instructor.
