

Guardrail 2. Provide conditions that enhance student learning.

Priority Strategy D:

Provide all staff with education about signs of mental health concerns and how to support students through early intervention strategies.

Description:

Introduce staff to unique risk factors, warning signs and approaches to support students' mental health.

Activities:

1. Provide on-going training opportunities for all staff, including charter schools.
2. Ensure additional learning opportunities are available for staff to attend and obtain resources.

Rationale:

To ensure high levels of support for all students, the school climate must foster a feeling of safety and understanding. For this to occur, teachers and staff must receive professional learning on understanding signs and symptoms of mental health and positive support strategies.
