

# LA VEGA PTECH

PATHWAYS IN TECHNOLOGY

LVHS students at TSTC campus in Waco, TX

*Welding keeps the world together. That's why being a welder is a recession-proof career. You could be in demand everywhere. This is especially true in the state of Texas. We have more welders here than anywhere else.*

*This career is the backbone of manufacturing, including the booming industries in our state: petrochemical, manufacturing, fabrication, aerospace, and aviation.*
