These suggested TEKS Crosswalks allow students to earn CTE Completer Status in the Networking Systems Program of Study after successful completion of TSTC's IT Support Tier I Dual Enrollment Pathway.

Computer Networking & Systems Administration (IT Support Tier I) Pathway Crosswalk PDF

Computer Networking & Systems Administration (IT Support Tier I) Certificate I Crosswalk PDF

COMPUTER NETWORKING & SYSTEMS ADMINISTRATION (IT SUPPORT TIER I) PATHWAY

TSTC COURSE	Crosswalk Suggestion (CTE/ TEKS Title)	PEIMS Suggestion	CTE Level	CTE Credit
ITSC 1325 Personal Computer Hardware	Internetworking Technologies I	N1302803	Level 2	1
ITNW 1308 Implementing & Supporting Client Operating Systems	Internetworking Technologies II	N1302804	Level 3	1
ITNW 1358 Network +	Practicum in Information Technology	13028000	Level 4	2
ITNW 1345 Implementing Network Directory Services	Networking/Networking Lab	13027410	Level 3	2

COMPUTER NETWORKING & SYSTEMS ADMINISTRATION (IT SUPPORT TIER I) CERTIFICATE I

TSTC COURSE	Crosswalk Suggestion (CTE/ TEKS Title)	PEIMS Suggestion	CTE Level	CTE Credit
ITSC 1325 Personal Computer Hardware	Internetworking Technologies I	N1302803	Level 2	1
ITNW 1308 Implementing & Supporting Client Operating Systems	Internetworking Technologies II	N1302804	Level 3	1
ITNW 1358 Network +	Practicum in Information Technology	13028000	Level 4	2
ITNW 1345 Implementing Network Directory Services	Networking/Networking Lab	13027410	Level 3	2
ITCC 1314 CCNQ 1: Introduction to Networks	Practicum in Information Technology	13028005	Level 4	3
ITSC 1316 Linux Installation and Configuration	Practicum in Information Technology	13028010	Level 4	2
