BIOGRAPHY

My name is Christa Respondek. This is my 4th year teaching at RSA. I am an Edinburg native living in Weslaco. My partner and I have 3 cats: Thunder, Tortie, and Peep. I attended STPA and Med High. I graduated from the University of Texas - Rio Grande Valley with a degree in biology. My hobbies include reading, drinking tea, playing video games, listening to true crime podcasts, and building puzzles and Lego sets. I look forward to sharing my passion for science with my students.
