Tuloso-Midway Primary School Parent and Family Engagement Policy 2023-2024

Statement of Purpose

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students. Tuloso-Midway Primary School is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as our partners for success. The parent and family engagement policy is reviewed and amended during the annual SBDM Title I evaluation and planning meeting. The policy will be distributed at the beginning of each school year.

The curricula for our grade level objectives are based on the Texas Essential Knowledge and Skills (TEKS). *All* students will be expected to work toward mastering these skills and objectives. Our campus recognizes the fact that some students will need extra assistance to achieve their full potential. The extra assistance is available to all students through RTI and other educational services offered by the campus.

Tuloso-Midway Primary intends to include parents in all aspects of the Title I program. Students will be given every opportunity for success through the development and enhancement of the home-school partnership.
