Attendance Matters - Focus "Tardiness"

Tardy Sweeps and Tardy Reduction Incentives

Why: Data suggests that we have a significant number of students who are not making it to class when the bell rings and we want to

increase students' opportunities for success. A vast majority of these students are only missing 5-7 minutes of class when they are tardy. However, that time added over several block periods in a week can lead to a substantial loss of instructional time.

In an effort to provide structure for additional support and enhance the learning opportunities as well as safety in our building, moving forward we will be implementing periodic "tardy sweeps". We

are also offering some incentives for students who consistently get to class on time to continue to do so.

How: We will randomly conduct tardy sweeps. Once the sweep is announced, students in the hallway will be escorted to the cafeteria. At that point, they will complete a brief Google form, and then be sent to class (depending on how many tardies they have accumulated). Guardians will receive email notification when your student has been a part of a tardy sweep. Consequences will remain in alignment with our current tardy policy:

- 10 Tardies - 1 hour detention and parent contact
- 20 Tardies - 2 hour detention and parent contact
- 30 Tardies - Assigns 1 day of ISS and parent contact
- 40 Tardies - Assigns 1 day of ISS and parent conference
- 50+ Tardies - Assigns 2 day of ISS and passing privileges removed

When: Random throughout second semester.

Tardy reduction initiatives: In addition to implementing the tardy sweep policy, we also want to offer a positive reinforcement incentive to those students that consistently get to class on time. Students who finish the 3rd quarter with 10 or less tardies will have their name entered for a prize. Students with 5 or less tardies will have their name entered three times, and students with 0 tardies will have their name entered five times. We will announce the prize opportunities as we get closer to the end of the third quarter.

4**SCHOOL OFFICES CLOSED**

SM West staff wishes all of our students and families an enjoyable winter break.

Our offices will close at 1:40pm on Dec. 20th and then reopen on Jan. 4th at 7:00am.

All staff - including secretaries and support staff - are participating in professional development on Jan. 5th from 7:00am-12:00pm

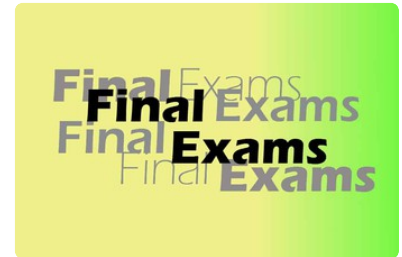

and therefore our offices will be closed during that small window of time.

Thank you.

Finals Schedule

Finals will be approaching soon when we return from Thanksgiving week. Here is the preview of the finals schedule we will follow beginning Monday, Dec. 18th.

There was an email sent home on 12/12 to parents if your family decided to excuse your student from any of the optional review times. If you are unable to find the email with the google form you can always call the attendance hotline at 993-7845.

It is important that all families and students be aware that we will not be able to release a student during a final block even if they have finished their final. We want each one of our students to have the same opportunity to have a quiet and uninterrupted time for their finals. Students should plan to stay in their block until the end of each final block.

We hope that all of our families work to support their students in making good choices as they prepare to take these very important final exams.

West Reads

SM West is so very excited to share with our community our West Reads selections.

Each week a different student that might represent one of our clubs/organizations/teams here at West is asked to choose a children's book to read aloud and be recorded. The recording is shared with our elementary feeder schools. This is such a great way to showcase some of the amazing leaders we have in our community and I know the elementary students love seeing the high

Join the Strategic Planning Process in January 2024

Shawnee Mission School District will begin updating its Strategic Plan in early 2024 and the entire community is invited to engage in the process. This plan will serve and guide Shawnee Mission for 2024-2029.

[Click here to see a video.](#)

The success of this plan depends on broad community input, as well as individuals willing to serve on committees and action teams. Here are ways community members, family members, educators, staff, and students can prepare to engage in the process:

- Consider applying for the Steering Committee or an Action Team. Applications to serve on the Steering Committee will be open on January 4, 2024 and remain open through January 12, 2024. Action Teams will be established in early March 2024. The Steering Committee represents school and district communities, oversees the strategic plan work, and develops the core elements of the Plan. Action Teams will develop action plans to support district strategies and objectives.
- Provide your input in a ThoughtExchange. ThoughtExchange provides you with a chance to respond to an open-ended question, consider and assign stars to ideas shared by others, and learn what is important to those contributing input. The ThoughtExchange opportunity will be provided in January.
- Watch for Strategic Plan information and updates on www.smsd.org.

Shawnee Mission's Strategic Plan work reflects an ongoing commitment by our community to support student success. The plan serves as a road map, giving clarity to our destination and the pathway to get there.

"I thank everyone for thinking about how they might contribute to our next Strategic Plan update, and for their ongoing commitment to our schools," Superintendent Dr. Michelle Hubbard expressed.

[Click here for more information on the Strategic Plan update process.](#)

Contribuir a la Actualización del Plan Estratégico de SMSD en Enero de 2024 Estimadas Familias del Distrito Escolar de Shawnee Mission

El Distrito Escolar de Shawnee Mission comenzará a actualizar su Plan Estratégico a principios de 2024 y se invita a toda la comunidad a participar en el proceso. Los aportes de los familiares de los estudiantes de Shawnee Mission jugaron un papel muy importante cuando se desarrolló el primer Plan Estratégico del distrito. Esperamos que participe en el proceso cuando comience el próximo mes. Este plan servirá a Shawnee Mission para 2024-2029 y juega un papel importante en el apoyo al éxito de los estudiantes de Shawnee Mission.

[Haga clic aquí para ver un video.](#)

Estas son algunas formas en las que se le invita a participar en el proceso:

- Considere la posibilidad de postularse para el Comité Directivo o un Equipo de Acción. Las solicitudes para formar parte del Comité Directivo estarán abiertas el 4 de Enero de 2024 y permanecerán abiertas hasta el 12 de Enero de 2024. Los Equipos de Acción se establecerán a principios de Marzo de 2024. El Comité Directivo representa escuelas y las comunidades del distrito, supervisa el trabajo del plan estratégico y desarrolla los elementos centrales del Plan. Los

Equipos de Acción desarrollarán planes de acción para apoyar las estrategias y objetivos del distrito.

- Proporcione su opinión en ThoughtExchange. ThoughtExchange le brinda la oportunidad de responder a una pregunta abierta, considerar y asignar estrellas a las ideas compartidas por otros y aprender lo que es importante para aquellos que contribuyen con aportes. La oportunidad de ThoughtExchange se brindará en Enero.

- Esté atento a la información y actualizaciones del Plan Estratégico sobre www.smsd.org.

El trabajo del Plan Estratégico de Shawnee Mission refleja un compromiso continuo de nuestra comunidad para apoyar el éxito de los estudiantes. El plan sirve como un mapa de ruta, dando claridad a nuestro destino y el camino para llegar allí.

Parking Permits

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance. Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below.
Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

Please refer to parking guidelines and fee structure for parking enforcement.

From our SM West Nurse

Hello,

I wanted to share a "refresher" on Covid Guidelines for everyone as we head into this fall. These are also guidelines that apply to Influenza A & B.

- Day 0: the 1st day of symptoms or test positive day
- Counting from Day 0—a person is then out of school for 5 days.
- Day 6—may return to school if no ongoing symptoms and no fever in the previous 24 hours.
- Day 6-10—highly recommended and encouraged to mask.
- Students do not need to stay home for exposure to Covid—only if

they have symptoms or test positive.

For more information you can refer to the following link:

<https://www.smsd.org/about/departments/health-services/coronavirus-or-covid-19-information>

- Please reach out with any questions or concerns—sometimes email is the best:

MacBook/IT - Important

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/ed?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**
 - The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.
- **Tech Resource Page**
 - We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link => <https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

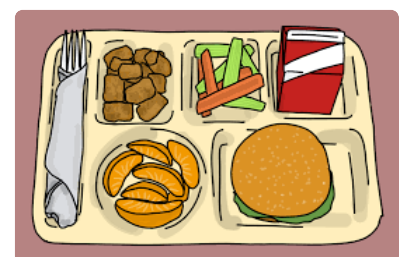

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. 2023-24 - Child Nutrition Program Meal Benefit Application

Families are encouraged to complete an application for meal benefits – free or reduced priced meals – as part of the Online Verification. The link to the Child Nutrition Program Meal Benefit Application is available on Skyward or the online application is on [School Cafe](#). Families do need to create a School Cafe account if they do not already have one - more information may be located on the [SMSD Food Service Free and Reduced](#) web page. Contact the Food Service office by calling 913-993-9710 for questions on the meal benefit application.

Potential Benefits of Filling out the Application

Families, whose meal benefit application is approved for meal benefits, can receive a breakfast and lunch at the free or reduced price – depending on their qualifying benefit.

Families who complete an application and qualify also generate additional state funds for our schools.

Families who qualify for child nutrition meal benefits, may receive additional benefits such as free/reduced instructional resource fees, transportation fees, and Pre-k enrollment.

Consent for Disclosure and Eligibility

Families are encouraged to complete a Consent for Disclosure form in [Skyward](#) which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

Families who are receiving certain types of state assistance, a meal benefit application may not be necessary. If a family is directly certified for meal benefits due to state assistance, Food Service will email a notification of eligibility. If you receive state assistance and have not received a notification of eligibility, call the [SMSD Food Service office](#) before completing a meal program application.

Families who are directly certified are encouraged to complete a Consent for Disclosure form in Skyward which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

In the event there are times throughout the year when routes are running late and

notification is needed at the school and family level, we want to encourage you to sign up for Textcaster notifications. We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link: <https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
