

# Pikeville High Comprehensive School Improvement Plan (CSIP)

## Rationale

School improvement efforts are a collaborative process involving multiple stakeholders. Through the improvement planning process, leaders focus on priority needs, funding, and closing achievement gaps among identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

While the focus of continuous improvement is student performance, the work must be guided by the aspects of teaching and learning that affect performance. An effective improvement process should address the contributing factors creating the learning environment (inputs) and the performance data (outcomes). Through the Needs Assessment for Schools, priorities were identified and processes, practices, and/or conditions were chosen for focus. This goal building template will assist your improvement team to address those priorities and outline your targets and the activities intended to produce the desired changes. Progress monitoring details will ensure that your plan is being reviewed regularly to determine the success of each strategy.

Please note that the objectives (short-term targets) set by your school under the Achievement Gap section of this planning template will be used by the district's superintendent to determine whether or not your school met its targets to reduce the gap in student achievement for any student group for two consecutive years as required by KRS 158.649. Likewise, operational definitions for each required planning component can be found on page 2 of the planning template.

For those schools operating a Title I Schoolwide Program, this plan meets the requirements of Section 1114 of the Every Student Succeeds Act as well as state requirements under 703 KAR 5:225. **No separate Schoolwide Program Plan is required.**

## Requirements for Building an Improvement Plan

- The required goals for elementary/middle schools include the following:
  - State Assessment Results in reading and mathematics
  - State Assessment Results in science, social studies and writing
  - Achievement Gap
  - English Learner Progress
  - Quality of School Climate and Safety
- The required goals for high schools include the following:
  - State Assessment Results in reading and mathematics
  - State Assessment Results in science, social studies and writing
  - Achievement Gap
  - English Learner Progress
  - Quality of School Climate and Safety
  - Postsecondary Readiness
  - Graduation Rate

## Alignment to Needs:

Results of the Phase Two needs assessment process should inform the development of the comprehensive school improvement plan. List the identified priorities below to be addressed in order to build staff capacity and increase student achievement.

### Priorities/Concerns from Needs Assessment for Schools

List two or three of the greatest areas of weakness identified in question #5 of the Needs Assessment for Schools that will be thoroughly addressed in the strategies and activities outlined in this template.

Two of our greatest concerns for Pikeville High include increasing our proficiency in the area of science, as well as increasing the overall proficiency and growth among our GAP groups. Another concern is to improve the climate and safety of our school.

### Processes, Practices, or Conditions to be Addressed from Key Elements Template

List two or three of the processes, practices, or conditions identified on the School Key Elements Template that the school will focus its resources and efforts upon and thoroughly address in the strategies and activities outlined in this template.

Pikeville High School will focus efforts on clear RTI processes for differentiation among tier groups, and active progress monitoring to assess academic development and identify strengths and weaknesses so that instruction can be determined accordingly. We will also focus efforts on aligning our instruction in tier 1 science classes to the NGSS standards.

### Indicator Scores

List the overall scores of status and change for each indicator.

Indicator	Status	Change
State Assessment Results in reading and mathematics - Middle School	78.9	-3.6
State Assessment Results in reading and mathematics - High School	91	-2.9
State Assessment Results in science, social studies and writing - Middle School	78.8	+1.2
State Assessment Results in science, social studies and writing - High School	90	+8
English Learner Progress	-	-
Quality of School Climate and Safety - Middle School	67	-3.6
Quality of School Climate and Safety - High School	65.3	-1.7
Postsecondary Readiness (high schools and districts only)	102.9	+7.8
Graduation Rate (high schools and districts only)	88.9	-3

**Explanations/Directions**

**Goal:** Schools should determine long-term goals that are three- to five-year targets for each required school level indicator. Elementary/middle schools must address state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, and quality of school climate and safety. High schools must address state assessment results in reading and mathematics, state assessment results in science, social studies and writing, achievement gap, English learner progress, quality of school climate and safety, postsecondary readiness, and graduation rate. Long-term goals should be informed by The Needs Assessment for Schools.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
<p>Schools should determine short-term objectives to be attained by the end of the current academic year. Objectives should address state assessment results and/or aligned formative assessments. There can be multiple objectives for each goal.</p>	<p>Describe your approach to systematically address a process, practice, or condition that was identified as a priority during the Needs Assessment for Schools. There can be multiple strategies for each objective. The strategy can be based upon <a href="#">Kentucky's six (6) Key Core Work Processes</a> or another established improvement approach (i.e. <i>Six Sigma</i>, <i>Shipley</i>, <i>Baldrige</i>, etc.).</p>	<p>Describe the actionable steps the school will take to deploy the chosen strategy. There can be multiple activities for each strategy.</p>	<p>List the criteria that will gauge the impact of your work. The measures may be quantitative or qualitative but are observable in some way. Consider measures of input as well as outcomes for both staff and students.</p>	<p>Describe the process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. Your description should include the artifacts to be reviewed, specific timelines, and responsible individuals.</p>	<p>List the specific federal, state, or local funding source(s) used to support each improvement initiative. If your school is a recipient of Title I, Part A funds, your CSIP serves as your annual plan and must indicate how Title I funds are utilized to carry out the planned activities.</p>

1: State Assessment Results in reading and mathematics

Goal 1 (State your reading and math goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of reading and math on KSA for middle (reading from 66% to 82.9%, math from 70% to 78.8%) and high school (reading from 76% to 82.9%, math from 81% to 85%) students in 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
<p><b>Objective 1</b> Collaborate with stakeholders to increase the overall number of students scoring proficient and distinguished for Pikeville Independent Schools: PJHS in reading 66% to 70.2% and in math 70% to 72.2%; and for PHS in reading 76% to 77.7% and in math 81% to 82% by May 2024 as measured by state assessment.</p>	<p>Review, Analyze, and Apply Data  Design, Align, and Deliver Support Processes</p>	<ul style="list-style-type: none"> <li>Middle School math/reading lab and regular content teachers will meet at the end of every semester to monitor student progress and make RTI placement decisions.</li> </ul>	<p>Student improved grades</p>	<p>End of 9 Weeks</p>	<p>SBDM/General Fund for assessments</p>
		<ul style="list-style-type: none"> <li>All teachers have been provided with listings of identified gap students. Increased awareness helps teachers to target students.</li> </ul>	<p>Improved performance of gap students</p>	<p>End of 9 Weeks</p>	<p>None</p>
		<ul style="list-style-type: none"> <li>The district will purchase high-quality instructional resources to ensure students have high-quality instructional resources that are aligned to current standards.</li> </ul>	<p>Resources purchased</p>	<p>Meetings to review materials. Selection is made by May each year.</p>	<p>General/ESSER</p>
		<ul style="list-style-type: none"> <li>Teachers will be provided professional learning opportunities, as needed, that are offered through our educational cooperatives, as well as other opportunities that may arise outside our educational cooperatives. After these opportunities, teachers will share relevant information with co-workers in a scheduled PD session.</li> </ul>	<p>Professional Development</p>	<p>Agendas will reflect</p>	<p>Title II Part A, Title V, and General</p>
		<ul style="list-style-type: none"> <li>Intervention classes for middle school and high school students will be available in reading and math.</li> </ul>	<p>Improved scoring on teacher assessments.</p>	<p>Read 180 reports, and progress monitoring</p>	<p>General and Special Education</p>

Goal 1 (State your reading and math goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of reading and math on KSA for middle (reading from 66% to 82.9%, math from 70% to 78.8%) and high school (reading from 76% to 82.9%, math from 81% to 85%) students in 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>Administrators will provide walk-through insights and communicate with faculty periodically.</li> </ul>	Observations	Observations	None
		<ul style="list-style-type: none"> <li>Grades 7-11 English teachers will be administering STAR reading to determine student Lexile levels to help select appropriate reading material. The math teacher will be administering STAR math to determine the measure of students' math level.</li> </ul>	Improved scoring on benchmark assessment	STAR reports	SBDM/General Fund for assessments
		<ul style="list-style-type: none"> <li>All math teachers will work to improve student use of the DESMOS online calculator.</li> </ul>	Observations	Observations	None

Goal 1 (State your reading and math goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of reading and math on KSA for middle (reading from 66% to 82.9%, math from 70% to 78.8%) and high school (reading from 76% to 82.9%, math from 81% to 85%) students in 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>● Continue to implement digital resources to reinforce instruction to increase academic performance.</li> <li>● Teachers evaluate the effectiveness of digital resources in their classrooms by reviewing reports after student usage.</li> <li>● Administration will evaluate the effectiveness of our educational technology resources by regularly reviewing and adapting based on reports to ensure a continuous cycle of improvement in educational effectiveness.</li> <li>● Subject-level groups will meet to discuss software currently available regarding topics such as usage, needs to be met/not met, etc.</li> </ul>	Improved scores in classes and on benchmark assessments	Screening reports	General, ESSER

Goal 1 (State your reading and math goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of reading and math on KSA for middle (reading from 66% to 82.9%, math from 70% to 78.8%) and high school (reading from 76% to 82.9%, math from 81% to 85%) students in 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>● Learning Studios will be piloted in various classrooms 7-12 to provide for different learning modalities (technology, future-ready, individual, small group instruction).</li> <li>● Some teachers are participating in the Deeper Learning Initiative through our educational cooperative (KVEC) to deepen the connection of teacher strategies and student learning.</li> <li>● KAGAN coaching for teacher leaders during 23-24 school year and all faculty during 24-25 school year to learn how to effectively implement Kagan structures in their classroom to enhance student engagement and collaborative learning.</li> </ul>	Increase in number of academic skills for students	Classroom implementation and screening reports	None

Goal 1 (State your reading and math goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of reading and math on KSA for middle (reading from 66% to 82.9%, math from 70% to 78.8%) and high school (reading from 76% to 82.9%, math from 81% to 85%) students in 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<p>Digital Learning Coaches will:</p> <ul style="list-style-type: none"> <li>● assess the needs of teachers and offer collaborative planning with teachers to integrate technology into lesson plans and to help eliminate any concerns or challenges</li> <li>● Offer professional learning to teachers on the latest trends and tools in digital education</li> <li>● Create a resource website of digital resources and tools to be accessed by teachers</li> <li>● involve students in collaboration efforts to understand their preferences and needs</li> <li>● Celebrate successes and recognize successful implementations of digital learning in classrooms.</li> </ul>	<p>Feedback and Surveys from teachers; Evaluate improvements in students' academic achievements after working with DLC.</p>	<p>Classroom Implementation and screening reports</p>	<p>WEP Grant</p>

2: State Assessment Results in science, social studies and writing

Goal 2 (State your science, social studies, and writing goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of science, social studies, and writing on KSA under Separate Academic Indicator for middle school (science 36% to 66%, social studies 68% to 83.1%, and combined writing 75% to 82%) and high school (science 24% to 60.8%, social studies to 80% to 88%, combined writing 86% to 92%) students by 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
<p><b>Objective 1</b> Collaborate with stakeholders to increase the overall number of students scoring proficient and distinguished for Pikeville Independent Schools: PJHS science 36% to 43.5%, social studies 68% to 71.8%, and combined writing 75% to 76.8% and for PHS in science 24% to 33.2%, social studies 80% to 82%, and combined writing 86% to 87.5% by May 2024 as measured by state assessment.</p>	Review, Analyze, and Apply Data	<ul style="list-style-type: none"> <li>All teachers have been provided with listings of identified gap students. Increased awareness helps teachers to target students.</li> </ul>	Improved performance of gap students	End of 9 Weeks	None
	Design, Align, and Deliver Support	<ul style="list-style-type: none"> <li>If funding is available, then will purchase high-quality instructional resources that are aligned to current standards.</li> </ul>	Resources purchased	Meetings to review materials. Selection made by May 2022	General/ESSER
		<ul style="list-style-type: none"> <li>Teachers will be provided professional learning opportunities, as needed, that are offered through our educational cooperatives, as well as other opportunities that may arise outside our educational cooperatives. After these opportunities, teachers will share relevant information with co-workers in a scheduled PD session.</li> </ul>	Professional Development	Agendas will reflect	Title II Part A, Title V, and General
		<ul style="list-style-type: none"> <li>Each school is being intentional with writing in their curriculum. Writing teams are meeting to score, calibrate, and analyze student work.</li> </ul>	Improved writing skills for our student's	Team meetings	Title II Part A for subs
		<ul style="list-style-type: none"> <li>Do-What, STRAP writing tools implemented across the curriculum.</li> </ul>	Improved writing skills for our students	Professional Development, lessons, writing samples	None

Goal 2 (State your science, social studies, and writing goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of science, social studies, and writing on KSA under Separate Academic Indicator for middle school (science 36% to 66%, social studies 68% to 83.1%, and combined writing 75% to 82%) and high school (science 24% to 60.8%, social studies to 80% to 88%, combined writing 86% to 92%) students by 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>The Writing team will meet in grade bands to ensure implementation of the writing plan.</li> </ul>	Improved On-Demand Writing Scores and implementation in class	Lessons	None
		<ul style="list-style-type: none"> <li>Learning Studios will be piloted in various classrooms 7-12 to provide for different learning modalities (technology, future-ready, individual, small group instruction).</li> <li>Some teachers are participating in the Deeper Learning Initiative through our educational cooperative (KVEC) to deepen the connection between teacher strategies and student learning.</li> <li>KAGAN coaching for teacher leaders during the 23-24 school year and all faculty during the 24-25 school year to learn how to effectively implement Kagan structures in their classroom to enhance student engagement and collaborative learning.</li> </ul>	Increase in number of academic skills for students	Classroom Implementation	None
		<ul style="list-style-type: none"> <li>Continue to update K-12 Writing Plan</li> </ul>	Vertically aligned plan	Lessons and writing plan	None
		<ul style="list-style-type: none"> <li>Administrators will provide walk-through insights and communication to faculty periodically.</li> </ul>	Observations	Observations	None

Goal 2 (State your science, social studies, and writing goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of science, social studies, and writing on KSA under Separate Academic Indicator for middle school (science 36% to 66%, social studies 68% to 83.1%, and combined writing 75% to 82%) and high school (science 24% to 60.8%, social studies to 80% to 88%, combined writing 86% to 92%) students by 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>Updated Science Policy and K-12 Science Plan</li> <li>Science Team will be established composed of teachers and district/school administrators.</li> </ul>	Vertically Aligned Plan	Science Plan in writing, walk through observations aligned to lesson plans	None
		<ul style="list-style-type: none"> <li>The science department will continue the Project Lead the Way pathway for Engineering.</li> </ul>	Schedule, students enrolled in course	Observations, lessons, schedule	Stan Pigman and district covering additional cost
		<ul style="list-style-type: none"> <li>Engineering and Earth Science standards are being fully incorporated into the three core science courses at PHS.</li> </ul>	Curriculum Maps	Observations, lessons	None
		<ul style="list-style-type: none"> <li>Cross-curricular units/activities will be used in various grade levels.</li> </ul>	Improved understanding of content and class grades	Lesson Plans, observations, walk-throughs	None

Goal 2 (State your science, social studies, and writing goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of science, social studies, and writing on KSA under Separate Academic Indicator for middle school (science 36% to 66%, social studies 68% to 83.1%, and combined writing 75% to 82%) and high school (science 24% to 60.8%, social studies to 80% to 88%, combined writing 86% to 92%) students by 2027.

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
		<ul style="list-style-type: none"> <li>● Continue to implement digital resources to reinforce instruction to increase academic performance.</li> <li>● Teachers evaluate the effectiveness of digital resources in their classrooms by reviewing reports after student usage.</li> <li>● Administration will evaluate the effectiveness of our educational technology resources by regularly reviewing and adapting based on reports to ensure a continuous cycle of improvement in educational effectiveness.</li> <li>● Subject-level groups will meet to discuss software currently available regarding topics such as usage, needs to be met/not met, etc.</li> </ul>	Improved scores in classes & increased knowledge of standards	Classroom implementation & software reports	General, ESSER

Goal 2 (State your science, social studies, and writing goal.):

Increase the percent of all students scoring proficient and distinguished in the areas of science, social studies, and writing on KSA under Separate Academic Indicator for middle school (science 36% to 66%, social studies 68% to 83.1%, and combined writing 75% to 82%) and high school (science 24% to 60.8%, social studies to 80% to 88%, combined writing 86% to 92%) students by 2027.

Classroom Implementation and screening reports	WEP Grant

### 3: Achievement Gap

KRS 158.649 requires the school-based decision-making (SBDM) council, or the principal if no council exists, to set the school's yearly targets for eliminating any achievement gap. The targets should be established with input from parents, faculty, and staff and submitted to the superintendent for consideration and the local board of education for adoption. In addition to being a statutory requirement, intentionally focusing on the achievement gaps that exist among a school's underserved student populations is also a vital component of the continuous improvement process. Schools should use a variety of measures and analyses when conducting its review of its achievement gaps, including a review of the school's climate and culture. Schools are not required to establish long-term achievement gap goals; however, schools must establish yearly targets (objectives).

Objective	Strategy	Activities	Measure of Success	Progress Monitoring	Funding
<p><b>Objective 1</b> Set specific and measurable targets to bridge learning gaps.</p> <p><b>Objective 2</b> Offer support to help students reach content proficiency to increase scores for all students in the gap groups in all content areas.</p> <p><b>Objective 3</b> Regularly assess the progress of students to adjust instruction to increase scores in all content areas.</p>	<p>Review, Analyze, and Apply Data</p> <p>Design and Deliver Instructions</p> <p>Establishing a Learning Culture and Environment</p>	<ul style="list-style-type: none"> <li>On behalf of SBDM Councils, once each semester, the Principal reports to the Board will include Implementation and Impact Reports (I &amp; I Checks) for the Comprehensive School Improvement Plan (CSIP) along with concerns and needs.</li> </ul>	School improvement	Board minutes and SBDM minutes	None
		<ul style="list-style-type: none"> <li>The Principal and faculty will review disaggregated data for student subgroups.</li> </ul>	Data analysis	Principal/Staff Meeting Agenda	None
		<ul style="list-style-type: none"> <li>Develop rigorous and achievable goals that close achievement gaps and support the unique strengths and needs of the student. For disability-related need(s), the IEP team will develop rigorous and achievable goals that are designed to close the student's achievement gaps in academic achievement and functional expectations. A goal may address more than one disability-related need and all goals ensure alignment among baseline, level of attainment, and progress monitoring.</li> </ul>	IEPs	IEPs and conferences	None
		<ul style="list-style-type: none"> <li>Intervention courses for reading and math will be provided for targeted students to increase proficiency rates.</li> </ul>	Improved grades and scores	Classes and lessons	None
