Principal's Message

Almost there everybody! We have only two weeks left until winter break, and only one week before final exams. I want all of our students to finish this semester strong academically, and the next two weeks are crucial in accomplishing this. Please check in with your student around grades, assignments, and upcoming final exams. Encourage them to reach out directly to teachers if they have questions or need additional support. Finally, strongly encourage them to connect with their teachers during either Academic Time on Wednesday or Thursday, Tutor Time this Thursday during advisory, and attend our annual Cram Fest event this upcoming Wednesday (6-8 pm). Let's end this semester on a positive note, which will make Winter Break even more enjoyable.

Daniel Ryan
Principal

Cram Fest

We have our amazing Cram Fest event coming up on Wednesday December 13th from 6p-8p.

This is a C-Squad event where our students and staff can help our Freshman (and any other students who want), prepare for finals. We have tutoring stations, a breakfast room, hot cocoa station, popcorn, and a coping corner for wellness activities.

Staff Appreciation Cookie Exchange

CHS Families- Sign Up for the Staff Cookie Exchange!

Each year, CHS families sign up to bring cookies for the teachers and staff to enjoy and take home a plate of cookies on the final day before winter break. This treat is always appreciated by the staff, and it works best when there are lots of cookies to share! If you can, consider signing up to bring cookies or a holiday treat, or share your time to help set up or clean up.

Sign up here today: <https://www.signupgenius.com/go/10C0D4FA4A922A0F94-46441545-holiday>

What is Families & Educators Together (FET)?

FET is a team of family members and educators partnering together for the success and well-being of all students. FET aims to center the voices of underrepresented families and collaborate together to improve the school for the benefit of all. The meetings are held in Spanish with interpretation in English.

Why participate?

Children do their best when parents and teachers are a team. Everyone's voice is needed and helps us create a stronger school community for all. We want to hear what YOU think would make our school a better, more inviting, more equitable place. You will also make connections with other families, strengthen ties with our staff, and learn more about the inner workings of our school.

When?

One meeting each month, plus whatever extra help you want to provide! Our monthly meetings are held in-person at school on the second Thursday of the month from 5:30 p.m.- 7 p.m., with child care, dinner, and interpretation provided.

Lost and Found

Please check the lost and found bins located outside the fishbowl and in the gym. All unclaimed items will be donated at the end of December 2023!

Getting to know your Centaurus Team

Mikayla Braukhoff

Hello Centaurus Warrior families,

My name is Mikayla Braukhoff and I am the new MHA at Centaurus High School and I am located in the Wellness Center. A little bit about the Wellness Center: This is a space where students who are dysregulated can come and “chill out” to become regulated again to be successful in their classroom. Shout out to Impact on Education for designing and decorating the space!

A little bit about me: I am from Wisconsin and moved to Colorado in July. I was a School Counselor for 6 years in Illinois and Wisconsin, and started clinical counseling at a Private Practice in August. When I am not at work, you can catch me reading, drinking coffee, hiking, skiing, watching movies, eating and trying new foods, or hanging out with my two dogs and my partner. I am a Wisconsin Badger and a Green Bay Packers fan and yes, I love Wisconsin cheese. I am excited to be at Centaurus High School and I can't wait to see what this year has in store.
