

VENDOR APPLICATION & MAINTENANCE FORM

ALL COMPANY INFORMATION WILL BE HELD CONFIDENTIAL. THE ADDITION OF YOUR COMPANY DOES NOT CONSTITUTE A COMMITMENT TO PURCHASE.

Please complete the following information. We are required by law to obtain this information from you when making a reportable payment to you. If this information is not provided, your payments may be subject to 28% Federal Income Tax backup withholding and may be subject to a \$50 penalty imposed by the Internal Revenue Service under Section 6723. Federal Law on backup withholding preempts any State or local law remedies, such as any right to a Mechanic's Lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 28% of its payments to you. Backup withholding is not a failure to pay you. It is an advanced tax payment. You should report all backup withholding as credit for taxes paid on your Federal Income Tax return.
