VII. Hearing of Citizens - None

Agenda Items Only

Hearing of Citizens will be restricted to three minutes per person for a total of fifteen minutes for questions and/or comments on agenda items only.

VIII. Student Representative's Report

Samantha spoke about the student council planning the winter pep rally and the planned events. The play "Arsenic and Lace" was held last week and did well. Everyone involved enjoyed it. The students have raised \$540 for St. Jude Children's Hospital. There will be a Peer Leadership Program to discuss unhealthy relationships. Samantha said that students are looking forward to the Thanksgiving break.

IX. President's Report

President Bruno informed the Board that Samantha finished in the top 20 cross-country athletes in the State and was named The Record "Athlete of the Week." President Bruno commented that he also ran cross-country when he was in High School. He presented her with a card and bouquet of flowers in recognition of her accomplishment.

President Bruno stated that he was pleased with the way the school year started. He read an article about how difficult it is to get people to run for the school board. He noted that the article spent a large amount of time referring to the role as "a thankless job." He did not agree. He commented that if anyone is expecting thanks for what they do on the Board of Education, then they are not the right person for the job. He enjoys seeing the way students excel and wanted to go on record as saying this regardless of what is happening elsewhere.

X. Superintendent's Report

HIB Update

Dr. Gamper reported that there were three confirmed cases of HIB at the High School. There were none at either East Brook or West Ridge.

Dr. Gamper thanked all the fall athletes. They did a great job representing Park Ridge High School.

Dr. Gamper reported that he attended the school play. He thought it was an excellent production. There were a lot of talented students involved. He noted that the set design was done by Mr. Cosgrove and that it looked great. He informed everyone that the district launched a new website on Friday. He wished everyone a Happy Thanksgiving.

XI. BOE Committee Reports

Buildings and Grounds met to review the Media Center plans that will support the STEAM initiative. There were some requested changes. The plans are going back to the Education Committee. The Board is planning to have a presentation by the architect at the next board meeting (12/18/17).

F11. **Cost Reimbursement for Food Service Management Services
Works Best for Park Ridge School District**

WHEREAS, the Department of Agriculture sent a notice on June 14, 2017 to New Jersey school districts participating in the National School Lunch program announcing a significant change in the procurement protocol for the contracting of food service management companies that operate breakfast and lunch programs for New Jersey public schools, and

WHEREAS, this new procurement protocol would change the fundamental basis for awarding food service management contracts from a “Cost Reimbursement Basis” to a “Fixed Price Basis” for contract awards, and

WHEREAS, the Park Ridge Board of Education has engaged staff and the community year after year to provide a local food service program that addresses and meets the needs of our children, and

WHEREAS, the Park Ridge Board of Education credits the current “Cost Reimbursement” procurement method as the reason why the local school district can design a food service program that has the flexibility of meeting the needs of its children, and

WHEREAS the Park Ridge Board of Education declares that the “Fixed Price” procurement system would dramatically reduce the school district’s ability to change or alter its food service operations without the need to rebid for food service management services, and

WHEREAS, the Park Ridge Board of Education further declares that the “Fixed Price” procurement method would impact the quality of the meals served to its children and therefore impact the participation of children in our breakfast and lunch program, and

WHEREAS, the Park Ridge Board of Education further declares that the “Fixed Price” procurement method may limit the number of competitive proposals received by boards of education, and

WHEREAS, the Park Ridge Board of Education rejects the Department of Agriculture’s underlying reasons for making this change without giving NJ School Districts the opportunity to address their concerns in an attempt to keep this procurement method in place, and

WHEREAS, the Park Ridge Board of Education prefers an optional procurement system for securing Food Service Management Companies whereby the district could choose either Cost Reimbursement” or “Fixed Price” as the basis for contract awards.

NOW THEREFORE BE IT RESOLVED, that the Park Ridge Board of Education hereby requests the Department of Agriculture to reconsider its plans to move the basis of awarding Food Service Management contracts to a “Fixed Price” basis and allow the option of continuing to use a “Cost Reimbursement procurement model; or in the alternative , a “Fixed Price” procurement method, and

BE IT FURTHER RESOLVED that copies of this resolution shall be forwarded to:
