

K-12 Social Studies Curriculum Resources

Adoption Review

Paradise Valley School District

PVSchools seeks to adopt a social studies curriculum for K-12 grades, considering varied resources and potentially selecting different publishers to tailor content to each grade band's specific needs, including the Arizona Social Science Standards. This flexible approach prioritizes targeted learning aligned with best practices and relevance for students at all ages, allowing for options like a single K-8 or K-12 publisher or separate selections for K-6, 7-8, and 9-12. PVSchools remains dedicated to a thorough evaluation to ensure an engaging and effective curriculum for all students.

In the PVSchools lobby, we can only display a limited amount of materials. However, the full curriculum is available online using the links and credentials below.

After reviewing the curriculum, please leave feedback on any or all vendors [HERE](#).

McGraw Hill AP (Advance Placement)

TCI (Teacher's Curriculum Institute) K-8

HMH (Houghton Mifflin Harcourt) 7-12

BFW (Bedford, Freeman, Worth) AP (Advance Placement)

Below each vendor is the full curriculum access website designed for the PVSchools Review along with credentials for login. At these sites, you can access all materials the company has available for this adoption.

HMH could be adopted for grade bands 7-12, 7-8, or 9-12.
