Alternative Means of Prescribed Courses (All Schools)

The Governing Board recognizes that the prescribed course of study may not accommodate the needs of some students. The board, with active involvement of parents/guardians, administrators, teachers and students, shall adopt alternative means for the completion of prescribed courses, which may include:

1. Practical demonstration of skills and competencies.
2. Career/Technical education classes offered in high schools.
3. Independent Study
4. College Connection credit earned at a post-secondary institution.
5. Credit for driver education and training which satisfies the requirement of Vehicle Code 12507.
6. Adult Education courses.

Exemptions and Waivers

A foster youth, homeless student, or former juvenile court school student who transfers into the district any time after completing his/her second year of high school shall be required to complete all graduation requirements specified in Education Code 51225.3 but shall be exempt from any additional district-adopted graduation requirements, unless the Superintendent or designee makes a finding that the student is reasonably able to complete the requirements in time to graduate by the end of his/her fourth year of high school. Within 30 days of the transfer, any such student shall be notified of the availability of the exemption and whether he/she qualifies for it. (Education Code 51225.1)

- (cf. 1312.3 - Uniform Complaint Procedures)
- (cf. 5145.6 - Parental Notifications)
- (cf. 6173 - Education for Homeless Children)
- (cf. 6173.1 - Education for Foster Youth)
- (cf. 6173.3 - Education for Juvenile Court School Students)

In addition, the Superintendent or designee shall facilitate the on-time graduation of children of military families by waiving specific course requirements for graduation if the student has satisfactorily completed similar coursework in another district. (Education Code 49701)

- (cf. 6173.2 - Education for Children of Military Families)

Retroactive Diplomas

Until July 31, 2018, any student who completed grade 12 in the 2003-04 school year or a subsequent school year and has met all applicable graduation requirements other than the passage of the high school exit examination shall be granted a high school diploma. (Education Code 60851.6)

The district may retroactively grant a high school diploma to a former student who was interned by order of the federal government during World War II or who is an honorably discharged veteran of World War II, the Korean War, or the Vietnam War, provided that he/she was enrolled in a district school immediately preceding the internment or military service and he/she did not receive a diploma because his/her education was interrupted due to the internment or military service. A deceased former student who satisfies these conditions may be granted a retroactive diploma to be received by his/her next of kin. (Education Code 51430)

High School Graduation Requirements (Cont.)

In addition, the district may grant a diploma to a veteran who entered the military service of the United States while he/she was a district student in grade 12 and who had completed the first half of the work required for grade 12. (Education Code 51440)
