VI. Special Presentations to the Board

A. Pascack Valley and Park Ridge School Districts' Internship Program – Laura McSpirit Grier

Dr. Gamper introduced Mr. Kevin Stokes as the candidate selected by the committee to be the new principal at East Brook. He spoke about the process to select a candidate and thanked the members of the committee for their time and hard work.

A motion was made by Mr. Sileo and seconded by Mr. Brown to accept the following agenda item:

- P5. The Park Ridge Board of Education approves the appointment of Kevin Stokes as Principal at East Brook Elementary School for the 2015/16 school year, at an annual salary of \$130,000, effective July 1, 2015.

The motion passed as follows:

FC	PM	BVB	RS	DB	PatM	JB
Y	Y	Y	Y	Y	Y	Y

After the item passed, Mr. Stokes also thanked the committee and commented that he looks forward to starting his work at Park Ridge and working collaboratively with parents and staff.

Ms. Laura Grier from Pascack Valley Regional School District spoke about the internship program that is currently being run in conjunction with Park Ridge. The purpose of the program is to give students a chance to explore career opportunities in fields they are interested in by providing them with “hands-on” experiences. Students who are interested in participating first fill out an application and letter of intent. They are then interviewed. She indicated that she was impressed with the paperwork she receives from Park Ridge students and how “down to earth” they are. Two students from the program were then asked to describe their experiences. Jenna indicated that she is working at Mercedes Benz in the warranty department and analyzing data. Lorena tried several different places. After a few different fields, she found working with a chiropractor the most rewarding. Ms. Grier explained that they try to find the right fit for students. The work hours are designed so that students can still participate in after-school activities.

Mr. Sileo asked if there was anything that we can do to improve the process. Ms. Grier commented that it would be good if students could take all required classes by their senior year.

Mr. Church asked how many hours do students work in a week. Ms. Grier responded that they can work two hours a day for 10 credits or three hours a day for 15 credits. She also commented that her and her staffs do go in to inspect the sites for appropriateness before students are permitted to attend.

Samir commented that he knows there is a lot of interest in the “Tomorrow’s Teacher’s” program. Dr. Gamper responded by saying that he has spoken with Eric Gunderson from Pascack Valley regarding a similar program and will be looking into it for a September start.

Dr. Gamper thanked Ms. Grier and her staff for joining them. He stated that he has heard nothing but positive feedback about the program.

VII. Hearing of Citizens - None

Agenda Items Only

Hearing of Citizens will be restricted to three minutes per person for a total of fifteen minutes for questions and/or comments on agenda items only.

VIII. Student Representative's Report

Samir reported that spring sports have started and things are going well. There was a French trip to the Met where students enjoyed excellent food and art. The International dinner was a huge success and the food was awesome. Participating in the school musical, Urinetown, was one of the most memorable experiences for Samir. The show choir is currently working on their set list. Samir stated that there are still some issues with technology, but they are not as prevalent as at the beginning of the year. There were some issues with the PARCC but they were quickly resolved. Samir commented that he heard both complaints about the test and others saying that it was not that bad. The big concern is in that people are not taking the test seriously since they know it will not be used to assess them. The concern is that by doing this, it may reflect poorly on the teachers. Seniors are hearing from colleges. The last theater event will be on May 7th with one act plays.

Mrs. VonBradsky commented that there will be an OpGrad fundraising dodge ball event this Friday. Participants are needed.

IX. President's Report

President Bruno reported that on April 15th, the District will have its annual "teacher for a day" program. He plans on participating again this year. President Bruno commented that he attended the International dinner and the organizers did a spectacular job. The food was very good. He also urged everyone to check out Owl Witness News. It is very entertaining.

X. Superintendent's Report

HIB Update

Dr. Gamper reported that the first round of PARCC testing is over. There were some problems in practice testing but corrections were made for the real test. There were about 130 students who opted out at the High School. The District did experience test refusals at all grade levels but there were much fewer in the elementary grade levels. The laptop program is expanding and will now be in grades 5-12. Grade 4 will also get laptops but they will not be sent home with them. Dr. Gamper feels this distribution will help with PARCC testing.

Dr. Gamper reported on HIB: there was one (1) incident at the High School and none at elementary schools.

Dr. Gamper congratulated Samir for being the class Valedictorian.

XI. BOE Committee Reports

Negotiations Committee reported that they met with the supervisors once. More meetings will follow.

XII. Supplemental Agenda

Supplemental resolutions, if any, will be available the night of the meeting.

XIII. Consent Agenda

The Board reviewed the consent agenda. The Board tabled motions E6/E7 and amended item P2 to redact the chaperones for the overseas trip. The Board pulled items BG6, BG7 and BG8 for a separate vote

The Board voted on the revised agenda which passed as follows:

M:	RS		S:	FC
