VII. Hearing of Citizens - None

Agenda Items Only

Hearing of Citizens will be restricted to three minutes per person for a total of fifteen minutes for questions and/or comments on agenda items only.

VIII. Student Representative's Report

Samir reported that the winter sports are well into their season. Boys' basketball is 5-7 and girls' basketball is 2-9. The winter track team participated in the state sectional meet and took 8th in the 4x4 relay. The bowling team is currently ranked 5th out of 10 teams. The wrestling team has a 14-4 record. They were the third seed in sectional tourney and defeated Hasbrouck Heights on Friday. The Middle School play had a great two-night performance. The High School spring musical is in the middle of rehearsals. Show choir started rehearsing tonight. Wireless printing is up and running and appreciated by the students. There are still some concerns about laptops but they appear to be fixable. The Opgrad pasta dinner was a huge success. Seniors are starting to hear back from colleges. Some "top of the line" institutions are getting back to students. There will be an upcoming trip to the Metropolitan Museum of Art. Popcert will be this Thursday. There will be a "caps for kids" fundraiser, which will raise money by giving baseball caps autographed by celebrities to children who have cancer.

IX. President's Report

President Bruno commented that the custodial staff did a great job digging out during the past few storms.

X. Superintendent's Report

HIB Update

Dr. Gamper commented that he watches OWL news each morning. He also reported that there is only one snow day left.

Dr. Gamper reported on HIB. He stated that there was one unconfirmed cast at West Ridge, and two at the High School. There were no reports at East Brook.

There will be a PARCC information night on February 11th at 8:00 p.m. in the Little Theater. There are FAQ's on the District website.

Dr. Gamper reported that kindergarten registration will be going on this month. He also announced the winners of the "Teacher of the Year" awards from Park Ridge.

He mentioned that his contract is on the agenda for renewal and that he is looking forward to another five years with the District. He thanked everyone for making his job exciting and said he is happy to come to work every day.

XI. BOE Committee Reports

Education Committee reported that he met with the math supervisor and Mr. Lederman. They spoke about scheduling.

Finance Committee reported that they have been reviewing budget requests and are moving forward with the process.

Buildings & Grounds

Mr. Wright reported that Mr. Morris has received information from the West Ridge paving contractor and is reviewing it.

Dr. Gamper reviewed the supplemental agenda. Included on the agenda was an addendum to the PRAA Bargaining Agreement, two retirements and the hiring of an ESL teacher needed for new enrollments. The Board extended their best wishes to the two individuals who are retiring. The Board added all items to the Consent Agenda.

XIII. Consent Agenda

XIV. Hearing of Citizens

A resident asked what the cutoff was for class size. Dr. Gamper responded that it is at 50 but other factors are considered for younger grades. The parent indicated that she was concerned about having 23 students in a class, indicating that it poses a safety issue and does a disservice to the rest of the class. She felt the Board should revisit the cutoff number. Dr. Gamper responded that moving forward this year, the class will remain at two sections with additional paraprofessionals. He will look into whether the number should be reduced going forward. He needs to factor in concerns about available space.

XV. Board Comments – New/Unfinished Business

President Bruno asked the Board to consider allowing Dr. Gamper to do a re-registration for the District. The Board asked that the process be flexible to allow residents to bring information in on off hours.

When asked about the acceptable documentation, Dr. Gamper responded that under the old registration process, there was a long list of what was accepted. Now there is a more stringent policy. A list of the acceptable documentation is on the District's website.

Danielle Schwartz commented that this also impacts the PTO. She stated that she sees cars with New York and Maryland plates. The PTO is often asked to subsidize trips, which is a violation of their 503c if the people are from out of state. She feels that many in town would support the re-registration.

Dr. Gamper indicated that the timing of this would most likely be in early April. Anyone found not to be eligible to attend Park Ridge would finish the school year and start their new school year in the district of residency.

After further discussion, the Board gave consensus to have Dr. Gamper move forward.

President Bruno expressed concern about safety on the Park Avenue side of the road during the High School dismissal/drop off. He asked Dr. Gamper to close the driveway during these two times. Dr. Gamper indicated he would look into it.
