The resident followed up with a question on newly purchased ENVISIONS math books. Dr. Gamper responded that these were needed to align with the Common Core and the costs were covered by Title IIA. He also reported that this would be an on-going expense.

The resident then asked if the new material will be digital. Dr. Gamper reported that it would.

FC PM BVB RS DB PatM JB

Dr. Gamper commented that Labor Day would be late next year. He is recommending that school start before Labor Day. The Thursday before Labor Day will be the first day for students. The February break will remain at only two days. The April break (4/18-4/22) was moved to give more time for AP tests. The last day of school would be June 21.

Mr. Church asked if any thought had been given to moving the start date to September 8th. Dr. Gamper replied that the current trend among school districts is to start earlier to get as many days in before testing. Dr. Gamper also stated that this calendar co-ordinates with the rest of the Region II schools.

- E3. The Park Ridge Board of Education approves the tuition for the special education placement student(s) listed, for the 2014/15 school year:

EDUCATION DISCUSSION

A. 2014-2015 PARCC Testing

Dr. Gamper discussed the PARCC testing schedule with the Board. The High School will be testing for five days in March (18-24) and four days in April (21-24) for grades 7-11. Testing will take place between 7:45 – 9:15 a.m. All students are to be tested.

A resident asked if anyone on the Board has taken the PARCC test. She expressed concern about the amount of testing and encourage board members to take the test to see what it was like.

Mr. Sileo commented that the amount of time for the test is similar to the NJASK. He felt that Park Ridge was in a good position to take the test as a result of the one-to-one laptop program. He also commented that there will only be five days of testing, which is better than most districts. He agreed that the rigor was higher for this test but the technology skills needed is now out of the students' reach.

The resident also expressed concern that the District is "teaching to the test." She felt that the students are going to be taking a test they are expected to fail.

Dr. Gamper commented that he feels New Jersey students will not be as impacted as other states since New Jersey is already offering a more intensive work load. He is not expecting over the top failure rates.

In response to a concern raised about the "trick" nature of the questions, Mr. Sileo stated the NJASK also has similar style questions. He felt that over time, students will learn how to view those questions and answer them. The only way to prepare is to go through the process.

Dr. Gamper indicated that the District will need to see what the test results are and then analyze them. He commented that change often creates anxiety. The District's focus will be to look at technology and make sure it works.

A resident asked if there was a need for final exams if the test is in line with the Common Core. Dr. Gamper responded that it was a good question and it is something that the District will be looking at in the near future. When asked when test results would be available, Dr. Gamper indicated that they would probably not receive them until the fall.

Mr. Sileo commented that there are still areas not being tested by PARCC. He also felt that there is something to be said about the experience of taking a final exam. He felt that in the end, PARCC is just a measurement tool.

A resident asked if AP eligibilities are tied to PARCC results. Dr. Gamper responded that they were not.

A resident asked if there was any talk of testing for grades K-2. Dr Gamper responded that there was none whatsoever.

Dr. Gamper also reported that the Board was still waiting for draft calendars for elementary schools testing.

**RESOLUTION OF THE BOARD OF EDUCATION OF THE
BOROUGH OF PARK RIDGE, IN THE COUNTY OF BERGEN,
NEW JERSEY DIRECTING THE UNDERTAKING OF A
CONTINUING DISCLOSURE REVIEW AND AUTHORIZING
PARTICIPATION IN THE "MUNICIPALITIES CONTINUING
DISCLOSURE COOPERATION" INITIATIVE OF THE DIVISION
OF ENFORCEMENT OF THE U.S. SECURITIES EXCHANGE
COMMISSION**

WHEREAS, the Board of Education of the Borough of Park Ridge in the County of Bergen, New Jersey (the "Issuer") has previously issued one or more series of bonds and or notes, including in the past five (5) years pursuant to one or more preliminary and final official statements (collectively, the "Bonds"); and

WHEREAS, in connection with the issuance of such Bonds, the Issuer covenanted with Bondholders to provide certain secondary market information on an annual basis to the Nationally Recognized Municipal Securities Information Repositories (pre-2009) and to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access Data Port (2009 to present) ("EMMA"), including, but not limited to, audited financial statements, budgets, other financial and operating data and ratings changes; and

WHEREAS, the Securities and Exchange Commission (the "SEC") has recently focused attention on what it alleges is widespread failure of local government issuers across the nation to meet their continuing disclosure obligations and misrepresentation through material misstatements in an official statement (innocently, inadvertently or otherwise) of past compliance with continuing disclosure obligations; and

WHEREAS, in an effort to remedy these perceived issues, the SEC has implemented the Municipalities Continuing Disclosure Cooperation Initiative (the "MCDC"), a limited-time program ending at 12:00 a.m. on December 1, 2014, that encourages issuers of municipal bonds, including the Issuer, to self-report possible material misstatements or omissions, made in the past five (5) years in an official statement regarding compliance with prior continuing disclosure obligations; and

WHEREAS, by participating in the MCDC, issuers agree to accept certain non-monetary penalties, in lieu of unknown, and, potentially significant monetary and non-monetary penalties the SEC has threatened on issuers that do not participate in the MCDC, should the SEC determine that an issuer has made material misstatements in an official statement regarding compliance with prior continuing disclosure obligations; and

WHEREAS, by participating in the MCDC, issuers agree to accept the following penalties, if imposed by the SEC (i) compliance with a cease and desist order in which the issuer neither admits nor denies the findings of the SEC, (ii) implementation of policies, procedures and training regarding continuing disclosure obligations, (iii) compliance with all existing continuing disclosure undertakings, (iv) cooperation with any further SEC investigation, (v) disclosure of settlement terms in any final official statement issued within five years of the date of institution of the proceedings, and (vi) production to the SEC of a compliance certificate regarding the applicable undertakings on the one year anniversary of the proceedings; and

WHEREAS, the Issuer desires to conduct a disclosure review which will (i) summarize the results of the Issuer's prior compliance with its secondary market disclosure obligations and (ii) compare those results to the statements made by the Issuer in its official statements regarding past compliance (the "Disclosure Review"); and

WHEREAS, the Issuer further desires to retain the services of disclosure specialist to conduct the Disclosure Review; and

WHEREAS, based on the results of the Disclosure Review, and weighing the known, non-monetary penalties that may come through the Issuer's participation in the MCDC versus the unknown, and, by all accounts, potentially significant monetary and non-monetary penalties the SEC has threatened on issuers that do not self-report, the Issuer further desires to delegate to the Chief Financial Officer, in consultation with the Issuer's general counsel, bond counsel, auditor and other finance professionals, the power to prepare and submit all documentation required to enter the Issuer's Bond issues into the MCDC, as necessary;

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE ISSUER, AS FOLLOWS:

Section 1. The Issuer hereby authorizes completion of the Disclosure Review.

Section 2. The Issuer hereby authorizes the Chief Financial Officer to engage the services of a disclosure specialist to complete the Disclosure Review; provided that the award of any contract in connection therewith meets the requirements of Issuer's applicable public contracting laws.

Section 3. In the event the Disclosure Review reveals that the Issuer may have made a material misstatement regarding the Issuer's compliance with prior continuing disclosure undertakings, the Issuer hereby authorizes and directs the Chief Financial Officer to prepare and submit all documentation necessary to enter the Issuer's applicable Bond issues into the MCDC.

Section 4. Any action taken by the Chief Financial Officer, or any other officer of the Issuer, with respect to the Disclosure Review, the engagement of a disclosure specialist and participation in the MCDC is hereby ratified and confirmed.

Section 5. This resolution shall take effect immediately.
