Lincoln School - Career Day Touch-A-Truck (K-2)

A special thank you to all the special trucks that stopped to let our students ask questions and learn about what they do.

New Brunswick Police department, New Brunswick Fire department, Amazon delivery truck, Puleio's Towing, New Brunswick School's Transportation (bus), New Brunswick Public Works (garbage truck), and the Rutgers' EMTs. The students had a great time and asked so many questions. They had a chance to hold the fireman's equipment and see inside the police car.

They saw how a garbage truck crushed all the trash and all the parts of a big tow truck.
