MEMORANDUM

TO: City and County Superintendents of Education
FROM: Eric G. Mackey 
 State Superintendent of Education
RE: Student Assessment Updates

The dates for the 2020-2021 statewide assessment program were provided in a memorandum dated December 4, 2019. Due to COVID-19, adjustments have been made to selected assessments for the 2020-2021 school year, including additional options for students who did not complete testing in 2019-2020. For your reference, a few updates and reminders are included in this memo.

- On April 29, 2020, you received a memorandum regarding a *Provisional Identification Plan for Potential English Learner Students* to identify potential English learner students that were enrolling during the closure of schools. This plan will be used as the **remote** option for students who either enroll during extended school closures or for students who are participating in remote learning. The process does not replace the formal identification process when face-to-face screening is possible. Once face-to-face school resumes, and as soon as possible, formal screening with the *WIDA Screener Online* or *Kindergarten W-APT* must take place for any student who has been given provisional English learner (EL) status.
- In an effort to ensure that every EL student is able to participate on *ACCESS for ELLs* or *Alternate ACCESS for ELLs*, a continuing administration window is scheduled for September 1-September 25, 2020. This opportunity is for those EL students who either did not start testing or complete testing during the 2019-2020 school year.
- As a reminder, the *ACT with Writing* fall options are listed below in the following chart:

ACT Make-Up Testing from Spring 2020 <u>Paper Only</u> 2020-2021 12th graders (Grade 12 students who did not test in 11th grade during March, June, or July 2020 due to COVID-19)	
September 22	Standard Time Test Date
September 22 - October 2	Accommodations/Supports Window
October 6	Make-Up Test Date
October 6 – 12	Make-Up Accommodations/Supports Window
October 24	National Test Date Voucher

- Again, in the 2020-2021 school year, *ACT WorkKeys* will remain as an optional assessment. Even though this assessment is optional, it may be used as a College and Career Readiness (CCR) Indicator. Local education agencies (LEAs) will have the option to administer *ACT WorkKeys* to all students in Grade 12 or administer only to selected Grade 12 students. A retest opportunity will be offered in the spring for those students who do not meet the benchmark in the fall.

5. *ACT with Writing* will continue to be used as the accountability measurement for high school. Beginning in 2020-2021, **new** Alabama ACT benchmarks will be utilized that incorporate math, English language arts (English, reading, and writing), and science.

Alabama ACT Benchmarks 2020-2021				
Subject	Level 1	Level 2	Level 3	Level 4
ELA	1-13	14-18	19-22	23-36
Math	1-15	16-18	19-24	25-36
Science	1-15	16-19	20-25	26-36

6. *Scantron Performance Series* will once again be provided as a formative assessment. Utilizing *Scantron Performance Series* and/or *Achievement Series* in a school or classroom will be the decision of the LEA, but the cost will be borne by the Alabama State Department of Education. Scantron is also offering remote options for the upcoming fall.
