Setting up the PowerSchool Parent Portal

Go to this URL: https://tuscumbiacs.powerschool.com/public/home.html

Click the tab that says "Create Account"

Click "Create Account"

Complete the form. You can use your email address as your username if you would like. Note that your password must include at least 8 characters.
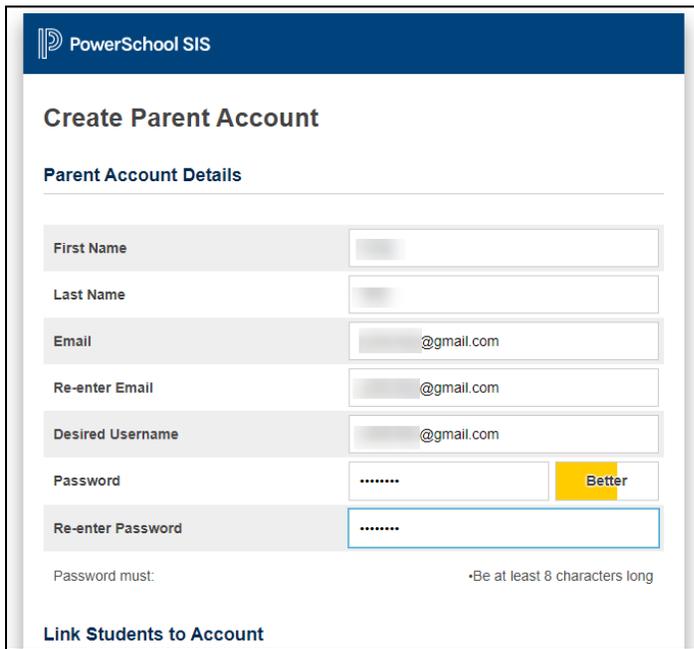

To link your child(ren), enter the Access ID and the Access Password that you were provided. You can enter multiple children on this page. You can also add additional children later if needed.
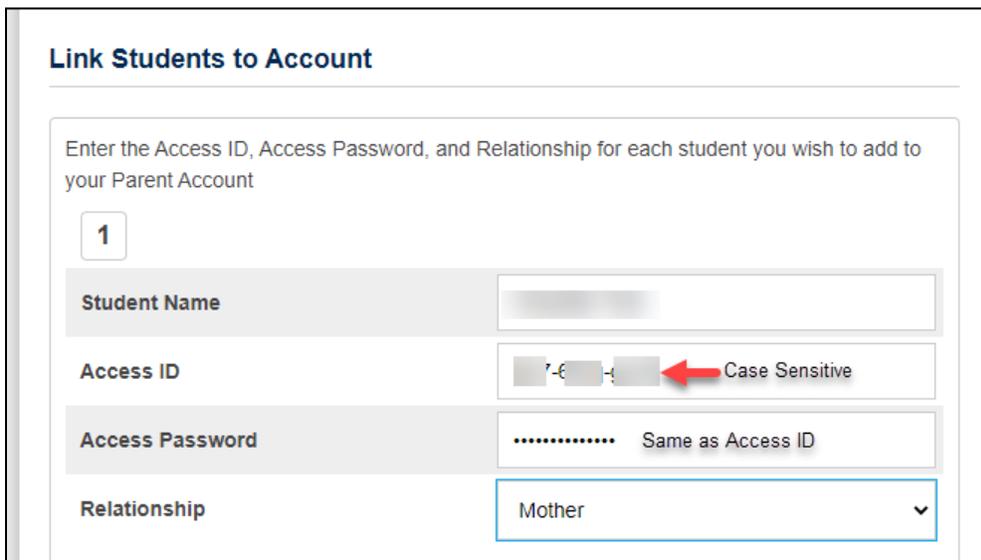

Once you click submit, you will see a message that your account has been created. You will need to check your email for a verification message. If the email does not show up, be sure to check your spam folder.
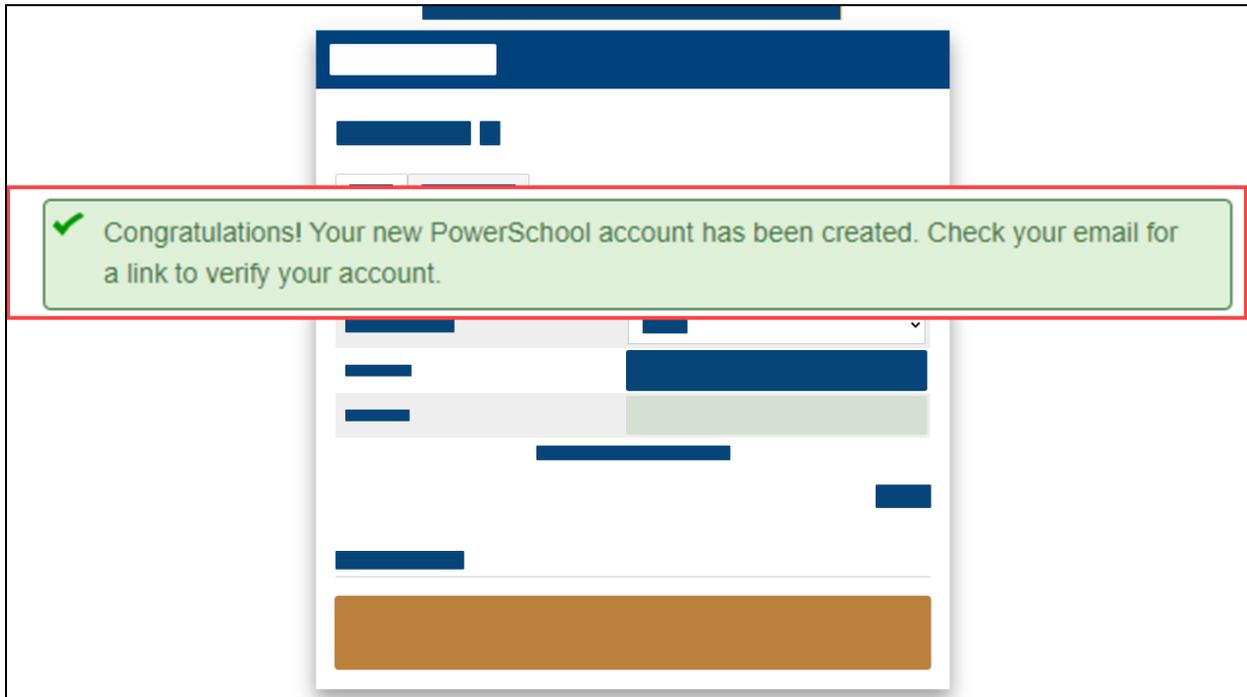

Click the link in your email to verify the account. The picture below is what the email looks like.
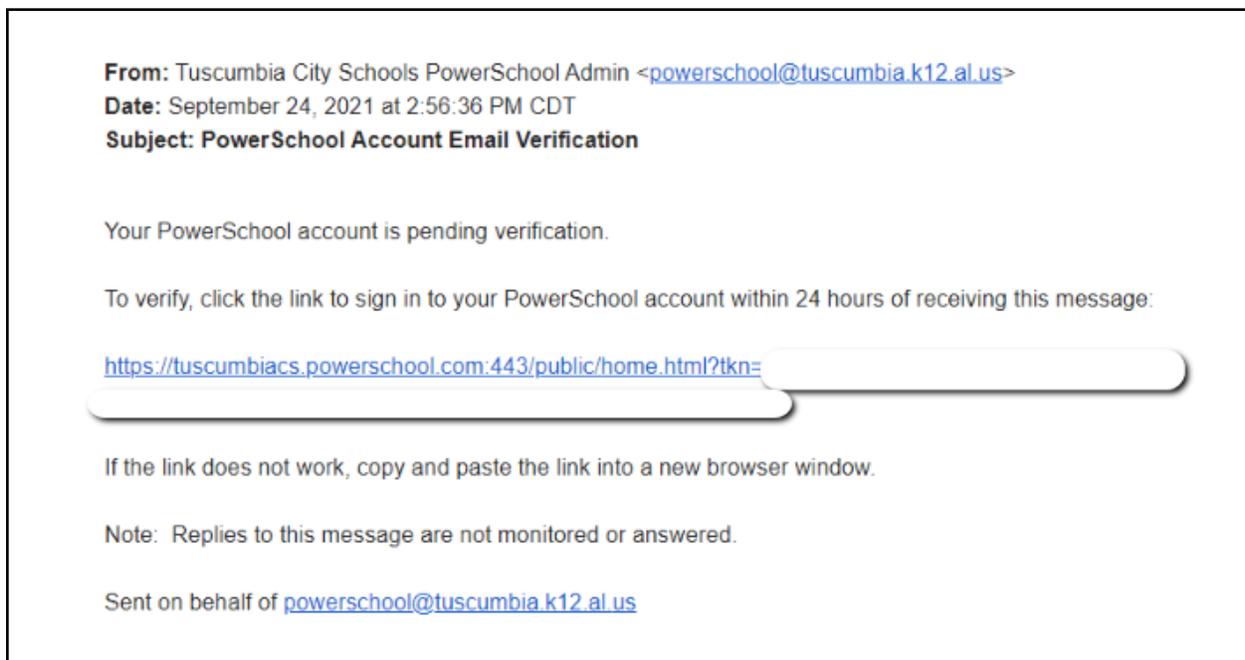

Once you verify the account, you can login with your username and password.
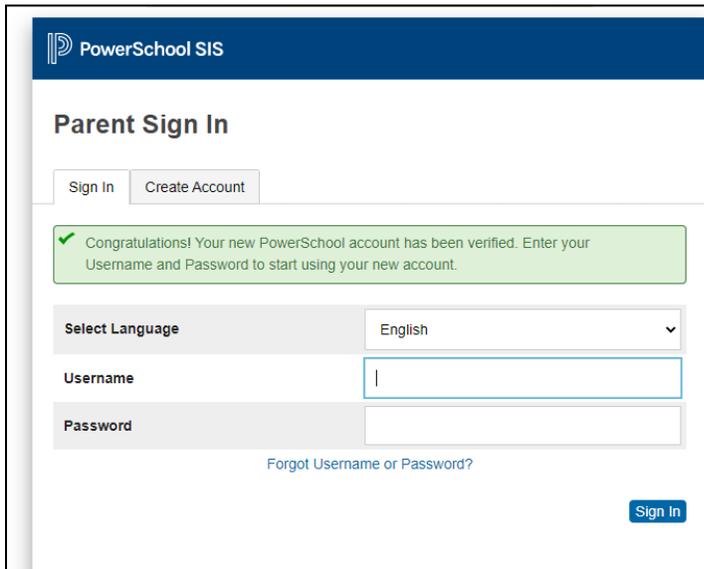

Once you are logged in, you will be able to see all of your child's grades. You can click on a grade to see a detailed list of assignments and individual grades.
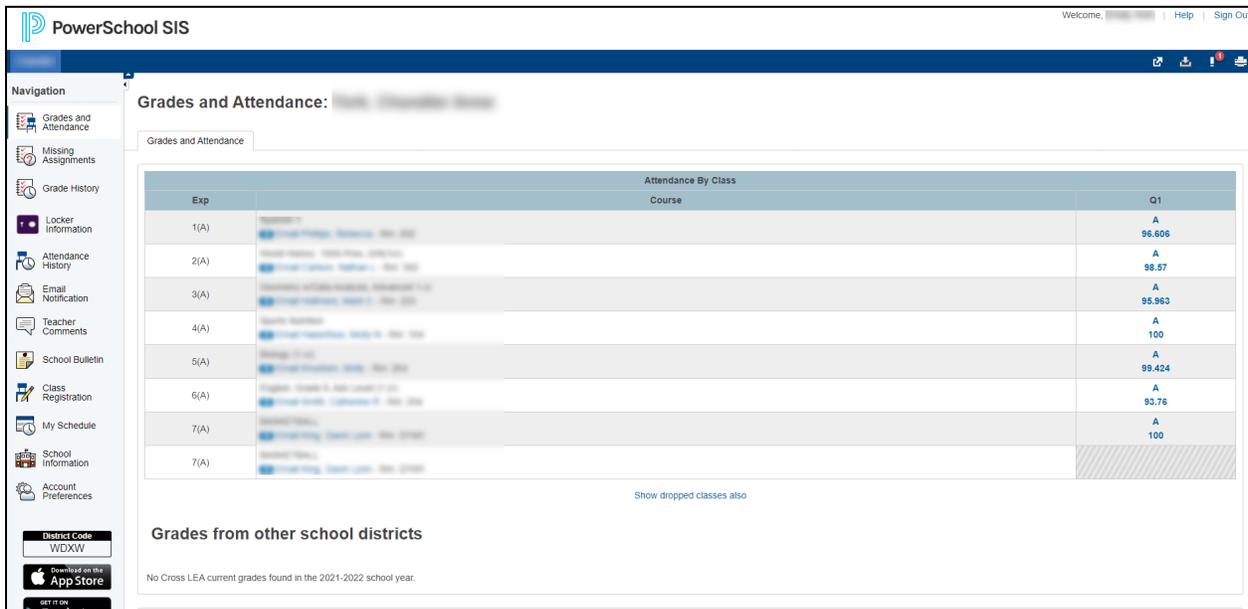

You **can use the "Account Preferences" option to add additional children as needed.**
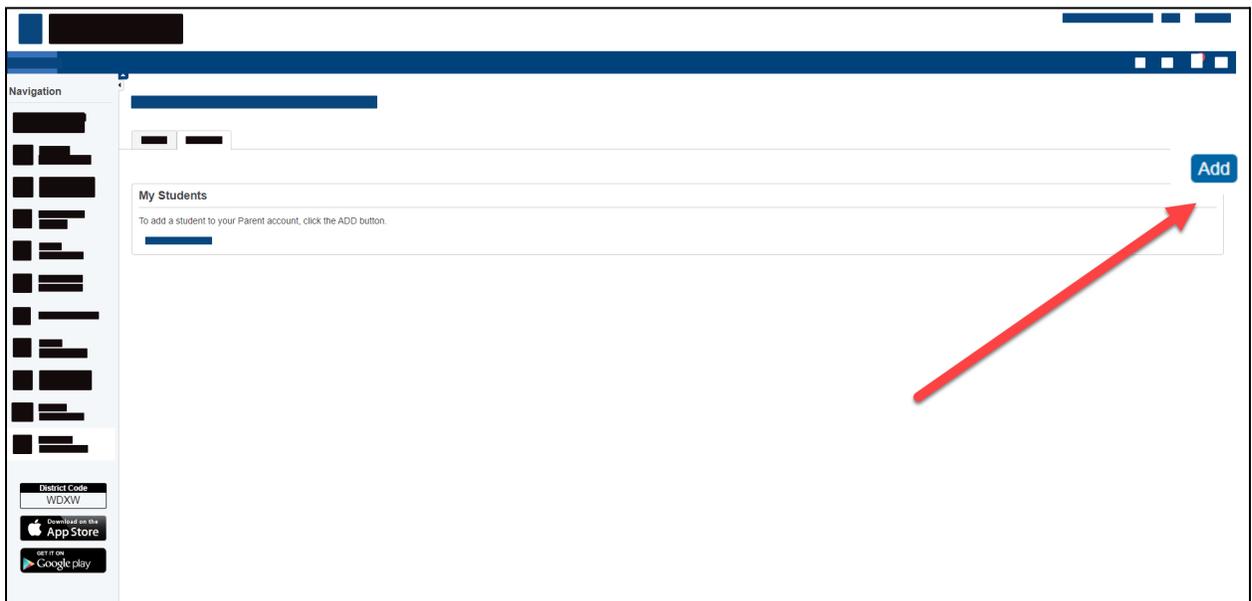

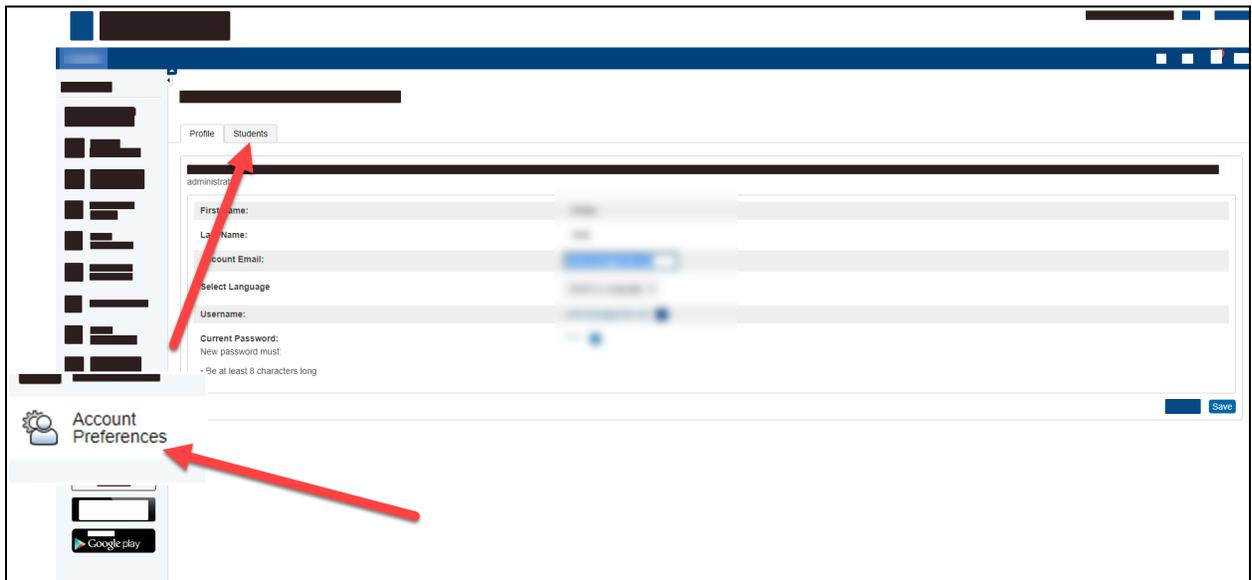

Use the Access ID and Password for your additional child(ren) to connect those accounts.

Once all your children have been linked, you will be able to toggle between the accounts by clicking on the names underneath the PowerSchool SIS logo.
