Sponsorship contributions support ALL school-related activities unless specifically requested or designated. Activities include athletics, music, speech, drama, debate, student congress, clubs, and more.

The Fargo South Bruin Booster Club strives to acknowledge our sponsors and supporters. Thank you.

The Bruin Booster Club supports the students' ability to participate in South High activities while promoting school spirit and encouraging parent and community support for the Bruins.

Let's go Bruins!

Thanks for your support!

We invite you to join the Fargo South Bruin Booster Club to support our students and ALL school-related activities.

All membership and sponsorship dollars directly benefit Fargo South High School students and encourage students' ability to participate in athletics, music, speech, drama, debate, student congress, a wide assortment of clubs, and more.

The Bruin Booster Club gifts thousands of dollars each year to Fargo South activities. In recent years, the club helped purchase a pitching machine, secured warm-ups and travel bags for multiple athletic teams, and made sure a Drama Club trip to the Twin Cities was possible. Club dollars have helped bridge funding gaps for event streaming broadcasts. Post prom and Senior night festivities rely on Booster funding.

The club's Executive Board is composed of parent volunteers who meet monthly to consider funding requests from coaches, trainers, teachers, and club leaders. We believe Fargo South students deserve the best and look forward to your support.

Corporate Giving

All corporate sponsorship levels include 2 adult memberships to the Bruin Booster Club. The individuals will be determined by the sponsor. Admission punch cards available by request.

Sponsorships are valid for one (1) year and run concurrent with each school year. Sponsorship levels are acknowledged in a variety of formats and locations, including social media, the Booster Club's web page [www.fargo.k12.nd.us/Page/510], event programs when possible, and more.
