Fargo Public Schools Indian Education Parent committee
Re: Letter of Support for Land Acknowledgement Statement

May 10, 2022

To whom it may concern,

Our Indian Education Parent Committee was grateful to be included in the FPS Land Acknowledgement Statement consultation process. The Land Acknowledgement Statement will remind all students, staff, families and our community that our people inhabited this land for centuries before it was known as Fargo, ND. It will also recognize the identity of our Native American students and families, and serve as a reminder to be proud of who we are as we are being intentionally included in our school district.

Fargo Public Schools has our support for the Land Acknowledge Statement as written. We really appreciated the detail of the page and information shared so that everyone can be educated and feel comfortable using the statement.

We sincerely appreciate being a part of this process and will also adopt and use the Land Acknowledgement Statement at our meetings, gatherings, activities and celebrations.

Respectfully,

Melonie Bald Eagle
Indian Education Parent Committee Chair
