E-LEARNING DAY 5

Complete each box to the best of your abilities. You only need to complete the specialist you would have had today. If you have any questions, message or call your teacher on Teams.

LITERACY	Read to a pet or stuffed animal for 20 minutes.
MATH	Do the fifth page of your Math Mystery Monster Mix Up
STEM	We talked about Melvil Dewey and the way books are organized in our non-fiction section in the library. Try this Shelver game to see if you can organize the books in Dewey decimal order: https://shelver.mrs-lodges-library.com/
PHY ED	-Do jumping jacks for 10-20 repetitions. -Do 10-20 repetitions of push-ups. - Shovel the driveway and sidewalk at your place or neighbor's place and build a snowman or snow fort.
MUSIC	Create a new way to remember the names of the Treble Clef lines – EGBDF. Example: Elvis' Guitar Broke Down Friday.
ART	Create a sculpture with your laundry! **OR** https://www.smore.com/a2djt
CHARACTER STRONG	Remember that Perseverance is pushing yourself to work through challenges and obstacles. Here's a fun challenge: Can you fit your whole body through an index card? While it sounds impossible, with the correct folding and cutting technique, you can make it happen! You'll need a 4x6 index card and a pair of scissors. Ready for the answer? You can find the directions and solution online by searching: "Fit Your Body Through an Index Card."
