

## COMMUNICATION #2

December 18, 2023

Dear Cristo Rey Miami Community,

Last month we shared that a President Search Committee has been established, comprised of trusted members of the Cristo Rey Miami community. One of the roles of the President Search Committee is to screen candidates and present qualified finalists to the Board of Trustees, which is responsible for selecting the President/CEO.

Over the past several weeks, our consultants, Lester Consulting Group, Inc., have reached out to more than 100 members of the Cristo Rey Miami community to gain insight into the skills and qualities that are most important to our school community. Participants included Faculty/Staff, Board of Trustees, Corporate Work Study Partners, donors, and other community leaders. We learned that Cristo Rey Miami wants a leader who has a passion for the school's Catholic mission, an outstanding communicator, a manager of growth, and a strategic planner. We also seek a leader of uncompromising integrity, who can build relationships, lead a team, and inspire Miami's business and philanthropic communities to support Cristo Rey.

The Position Announcement and the Candidate Profile are posted on the school's website ([www.cristoreymiami.org/about/presidentialannouncement](http://www.cristoreymiami.org/about/presidentialannouncement)). All members of the Cristo Rey Miami community are encouraged to reach out to their personal and professional networks and encourage qualified applicants to apply by February 9, 2024. Though the candidate must be a practicing Catholic, leaders from a wide variety of professional backgrounds are encouraged to consider this exciting leadership opportunity.

The Board of Trustees expects the president to assume her/his leadership in June. Ms. Anamarie Moreiras will continue as President until her retirement in mid-January, and Ms. Amelie Ferro will serve as Interim President for the remainder of the school year. We will keep you apprised of important news associated with the search process over the next few months.

We wish you and your family a Happy Advent season.

Sincerely,

Tere Canida  
Chair, President Search Committee  
Member, Board of Trustees
