CORE VALUES

Core Value Total	Description	Core Value Total	Description
Empathy & Trusting Relationships 94	We believe that empathy-the ability to understand and share the feelings of another-is crucial for valuing diverse perspectives, effective collaboration, problems-solving, and leading change. We believe that everyone has value and deserves to be treated respectfully. Empathy leads to trusting relationships.	Curiosity & Innovation 85	We value curiosity which encourages listening and reading about new ideas with an open mind and seeking to understand the world around you. Curiosity leads to innovation. Innovation is the process of creating value by applying novel solutions to meaningful problems.
Safety & Well-being	We recognized the importance of safety and well-being. Empathy and respect lead to a kind and caring environment, enabling staff and students to build strong	Equity & Accountability	We believe that equity is achieved when all students receive the resources needed so they graduate prepared for success after high school. We believe that equity through

<p>97</p>	<p>support systems and foster mutual well-being. Students need a social, emotional, and health support system to ensure academic excellence.</p>	<p>75</p>	<p>accountability means holding everyone with responsibilities to high standards of performance.</p>
<p>Diversity & Inclusion</p> <p>77</p>	<p>We honor differences. We build an inclusive learning and working environment welcoming to people of all backgrounds. We give all students opportunities to build their identities as learners and develop the capacity of agency and autonomy, We ensure rigorous outcomes for all students. We believe that everyone has value and deserves to be treated respectfully.</p>	<p>Communication & Collaboration</p> <p>70</p>	<p>We value being heard and making sure we hear others. We place importance on forming and maintaining relationships with stakeholders through conversation and engagement. We value teamwork and shared decision-making.</p>
<p>Relevancy & Readiness</p> <p>73</p>	<p>We believe that preparing our students and educators to thrive requires a culture of creativity and innovation. We are forward looking and future ready. We are constantly developing new technologies, solutions, and workarounds that can change the world. We seek and create new tools and techniques that facilitate and encourage cutting-edge innovation for optimal student learning.</p>	<p>Continuous Improvement & Stewardship</p> <p>82</p>	<p>We are unwavering in bettering ourselves and our students by setting aggressive but achievable growth goals. We believe that achieving high performance, reaching full potential, and making effective use of our resources comes from a relentless commitment to excellence and the courage to adapt, change, and improve based on results, understand, and address results positively over a period of time.</p>
