

BACK TO SCHOOL 2023

This is always an exciting time of the year as we welcome our students, teachers, and staff back for the 2023-24 school year! Every year brings a host of new possibilities. For our students, it is a chance to start a new year, make new friends, and reconnect with old ones. It's also an opportunity to build on relationships and expand our learning. We have amazing teachers who work hard to meet all our student's needs in an environment where they can thrive. This is why we are dedicated to being the best district in Texas!

Magnolia is a fantastic community, and we appreciate all the support you show to our students, teachers, and staff. We look forward to greeting all our students on Wednesday, August 9. It's going to be a great school year!

Returning Students

Parents/Guardians of returning students will need to verify student enrollment through the Frontline Parent Portal by July 31. This process is to make sure the district has updated information for your student prior to the start of the school year. If you are a new student at Magnolia ISD and you already completed the registration process, you do not need to complete this verification.

For students returning to MISD for the 2023-24 school year, please log in to the Frontline Parent Portal and complete the process. Student schedules and homeroom teacher names will not be released until the online verification process is completed. Visit our website for more information and instructions, or scan the QR code.

Child Nutrition

Meal Viewer

Menus are available through MealViewer and on our website, campus websites, and through the MealViewer To Go app. MealViewer also provides the opportunity to create a student profile and set allergy restrictions as well as see nutritional information.

My SchoolBucks

Parents can create a mySchoolBucks® account to pre-pay for their student's meals, snacks, and a la carte items. Prepaying for meals helps the lunch lines move faster and gives students more time to eat and relax. It also gives families the peace of mind to not worry about looking for lunch money every day or worrying about it getting lost, stolen, or used for something else.

mySchoolBucks® offers a mobile app to easily manage your child's account. Through the app or on the mySchoolBucks® website, parents can create multiple student accounts, receive "low balance" notifications, see a history of what items have been purchased, and much more. Scan the QR code to learn more about mySchoolBucks®.

Download the app in the Apple App or Google Play store. You can find more information including how to find your bus route on the district website.
