BIOGRAPHY

I am so excited for this school year! I have worked in three other school districts, but I couldn't be happier to be here at Rising Scholars Academy. This will be my 2nd year teaching at RSA and my 9th year in education. I received my bachelor's degree in business administration from MidAmerica Nazarene University and a master's degree in Rehabilitation Counseling from Texas Tech University. Before becoming a teacher, I had a career in retail at Wal-Mart and Lowe's.

I was born near Denver, Colorado and have lived mostly in Oklahoma, Missouri, Arkansas, Kansas and Texas. In my free time I enjoy fishing, woodworking, restoring or repurposing old furniture, and traveling and enjoying the history of our great country.

As a kid, my father was a history enthusiast and passed that gene on to me. I enjoy sharing my travel experiences with my students and helping them make real world connections with other places. I am looking forward to this school year with an open mind and an open heart ready to share my love for learning with our Rising Scholars!
