

Medical Excuse for Attendance Monitoring Delano High School

Student: _____

For this student to receive an excused absence, we must receive specific information from the attending physician. We understand that students should not be in school if they have a contagious disease, are seriously ill, or need to be home for proper medical treatment. However, students with attendance/truancy problems often miss school for headaches, stomach aches, or minor discomforts. This students' attendance is being monitored by Delano High School Staff because he/she has had an unusual amount of absences. Please provide the following information and fax it to 763-972-6706.
