More vibrant Together

Dear Howard Community,

We returned this school year more vibrant and together than ever! As we continue to grow and look towards the future, we keep an ever-present eye on our mission and vision here at The Howard School. I am so grateful to be a part of such a generous community. More than 700 parents, grandparents, alumni and families, faculty and staff, friends, and Board of Trustees gave in support of The Howard School.

The 2021-2022 year brought with it several “firsts” for Howard. We started the year with more students than ever before in school history (350), a 12% increase from the year before. A great tribute to Marian Howard’s legacy and a testament to the efforts of our faculty and staff to continue that strong tradition of excellence! We also paid tribute to Marifred Cilella, who served as Head of School for

“We started the year with more students than ever before in school history (350), a **12% increase** from the year before.”

17 years. Her dedicated service to The Howard School was transformative in so many ways. We also welcomed our new Head of School, Dr. Anna Moore, who will continue to move the mission of the school forward. Perhaps most remarkably, our culture of philanthropy within our community helped propel us to reach our goal of the school’s first ever \$1,000,000 general endowment fund. This fund, designed to invest in the future of our strategic efforts, will make a difference in the lives of present and future Howard School students.

Your continued investment provides us the ability to stay focused on our mission, while also laying the foundation that will impact families for years to come. Thank you for sharing your children with us, your participation in the life of the school, and your generosity that will help drive even more positive change in the lives of our current students and families, as well as those for generations to come.

Together, we are changing lives!

“Every day we see the impact of your generosity and investments.”

Dear Howard School Community,

We would like to share our deepest gratitude with each of you for your support of The Howard School. Your dedication to our School allowed us to continue to provide an extraordinary educational experience for Howard School students.

Every day we see the impact of your generosity and investments. Your generosity to the Annual Fund (now the Howard Fund) provides vital support for curricular and programmatic innovations and enhancements, computer and assistive technology, ongoing faculty professional development, and financial aid for our families in need. Additionally, contributions to the Endowment Fund continue to help sustain our priorities and carry forward our mission. For more than 72 years, The Howard School has educated children with language-based learning disabilities and learning differences, and we are grateful to stand in a position of financial strength because of your continued investment.

To all our donors, friends, volunteers, and others who have let us share in their generosity, and on behalf of everyone at The Howard School, we offer our sincere gratitude. Thank you for inspiring us and for joining us as we continue changing futures for generations to come.
