Summer Programs
Coordinator

Rita Hoemann
Main Building
Receptionist

Welcome Howard School Families

We are so glad you are a part of The Howard School community. All adult family members of currently enrolled students are automatically members of the Parents Association, and we invite you to get involved! The mission of the Parents Association is to build community and support the school in a variety of ways, with three main areas of emphasis:

Community Life

The Parents Association supports a wide variety of student, faculty, staff, and parent social events throughout the year.

Communications

Our room, and division representatives work with teachers to promote effective dialogue between parents and The Howard School Faculty & Staff.

Fundraising

The Parents Association raises funds to support community-building events, faculty and staff appreciation celebrations, and other school needs. We also work with the Advancement office to ensure that the Howard Fund is a success each year.

It is vitally important that your family and your child feel connected. **Get involved in the Parents Association.**

parentsassociation@howardschool.org

Connect!

Parent Engagement Gatherings are opportunities to meet other parents, connect with the School, and be actively involved and informed.

September 6
