Dear CIS Families,

Recognizing the benefits and convenience of having an on-island uniform supplier, our Family School Association explored various options. After many weeks of business analysis (quality of fabric, price, storage capacity, customer service, etc.), FSA is happy to say samples from Becky's Closet met our expectations and we have chosen them as the sole supplier of CIS Uniforms on island. Becky's Closet has been providing uniforms with tailoring services to local schools for many years and they have an excellent reputation.

In order to receive your new uniforms in time for the academic year 2024-2025, we invite you to visit Becky's Closet as soon as possible to place your order. Due to our new collaboration, no inventory is currently available. However uniforms will be available for purchase without preordering in the future.

Orders will have to be in before January 30th at the shop. We understand families might be unsure about what size to order, but Becky's Closet has confirmed that families can change the size if necessary once she receives the first stock in April. Becky's Closet does not have an online platform yet but they are working on it and hope to have it available before September 2024.
