AGENDA

WHAT IS MULTILINGUAL TEACHING?

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience.

are tools that
can be used

are tools that
can be used

Our History

Presentations are tools that can be used as lectures, speeches, reports, and more.
It is mostly presented before an audience.

2019

Each school has a catchment area
where students must live to be
eligible to enroll at the school.

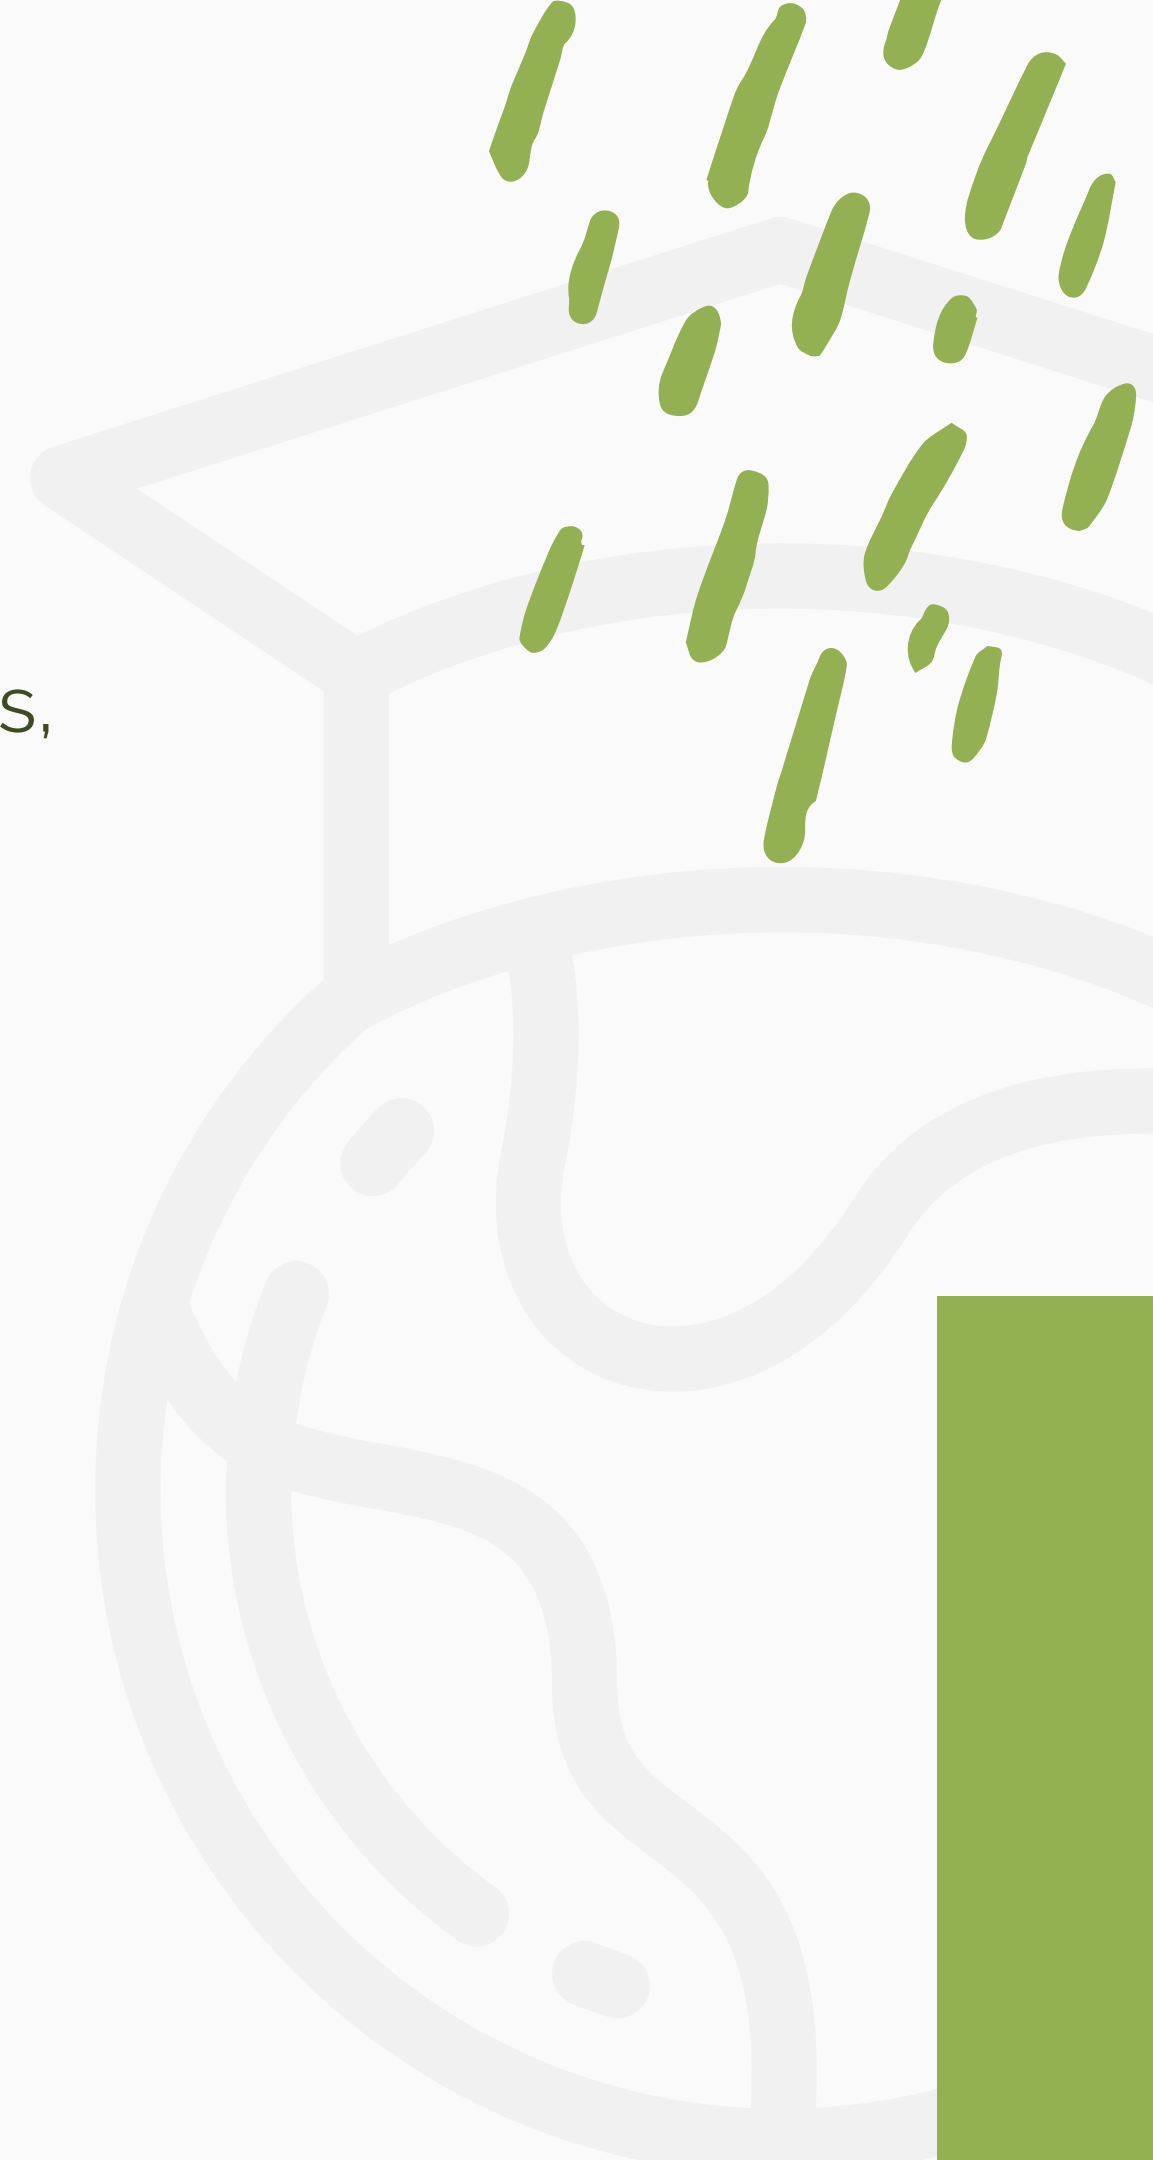

2020

Each school has a catchment area
where students must live to be
eligible to enroll at the school.

Our Vision

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience.

- 1 Each school has a catchment area where students must live to be eligible to enroll at the school.
- 2 Each school has a catchment area where students must live to be eligible to enroll at the school.
- 3 Each school has a catchment area where students must live to be eligible to enroll at the school.

What We Do

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience.

Each school has a catchment area where students must live to be eligible to enroll at the school.

Our Team

Intelligence is an important factor in how the individual responds to education

Rosa Maria

School Board

Isabel Mercado

Education Commission

Avery Davis

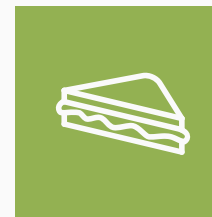

School Committee

Each school has a catchment
an area where students must live
to be eligible to enroll at the school.

Education Management

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience

Educational Materials

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience.

1

Each school has a catchment area.

2

Each school has a catchment area.

3

Each school has a catchment area.

Class Practice

DEDICATED TO PROVIDING
INFRASTRUCTURES

Presentations are tools that can be used as lectures, speeches, reports, and more. It mostly presented before an audience

Our Goals

Presentations are tools that can be used as lectures, speeches, reports, and more. It is mostly presented before an audience.
