MULTIMEDIA OPT-OUT FORM (Grades 2-6)

The New York Mills Union Free School District regularly provides the community with news, photos and videos from our school, as well as information about events, activities, achievements, etc. This material can appear on District-managed media platforms and in other District materials disseminated to the public including but not limited to: the District website, social networking sites such as Facebook, Twitter or Instagram, print material, online publications, and other channels deemed appropriate by the District.

Please sign and return this form only if you **DO NOT** want your child’s identifying information (name, grade, etc.) or image to be shared on the various District-managed media platforms described above. If this form is not completed and returned to your child’s teacher, the New York Mills Union Free School District will assume that the parent(s)/guardian(s) have given permission to have photos, videos and/or identifying information of their child published on District media platforms, for the duration of their time enrolled in the District, or until a completed Opt-Out form is returned.

Special Considerations

This form does not apply to internal District publications, such as yearbooks, student newspapers or other student publications. This form applies only to District-managed media. If you wish to limit or opt-out of the release of your child’s personal information to any third-party or through any publication (internal or external), please complete and return the District’s “Request to Limit Disclosure of Directory Information” form. Directory information includes a student’s name, parent’s name, address, date and place of birth, telephone number, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational agency attended by student, photograph, and video images of students engaged in routine activities (when those images are not records of the district’s law enforcement unit). This form does not apply to students participating in public events such as academic competitions, performances and athletic events. Student photos and names from these events may be published by news media.

If at any time during the school year you would like to change your decision, please contact your child’s school. Thank you for your cooperation.
