

How to Sign Up for Boys and Girls Club After School Program

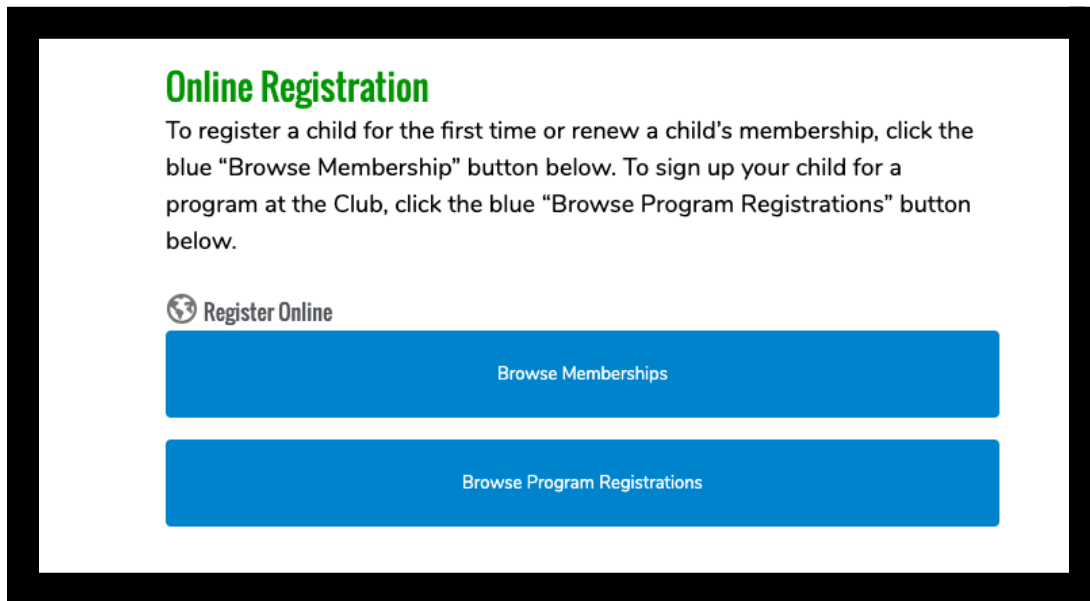

1. Go to <https://alamedabgc.org/>. If you need to translate the page to another language, make sure to use Google Chrome.
2. Click on the blue box that says “Become a Member”

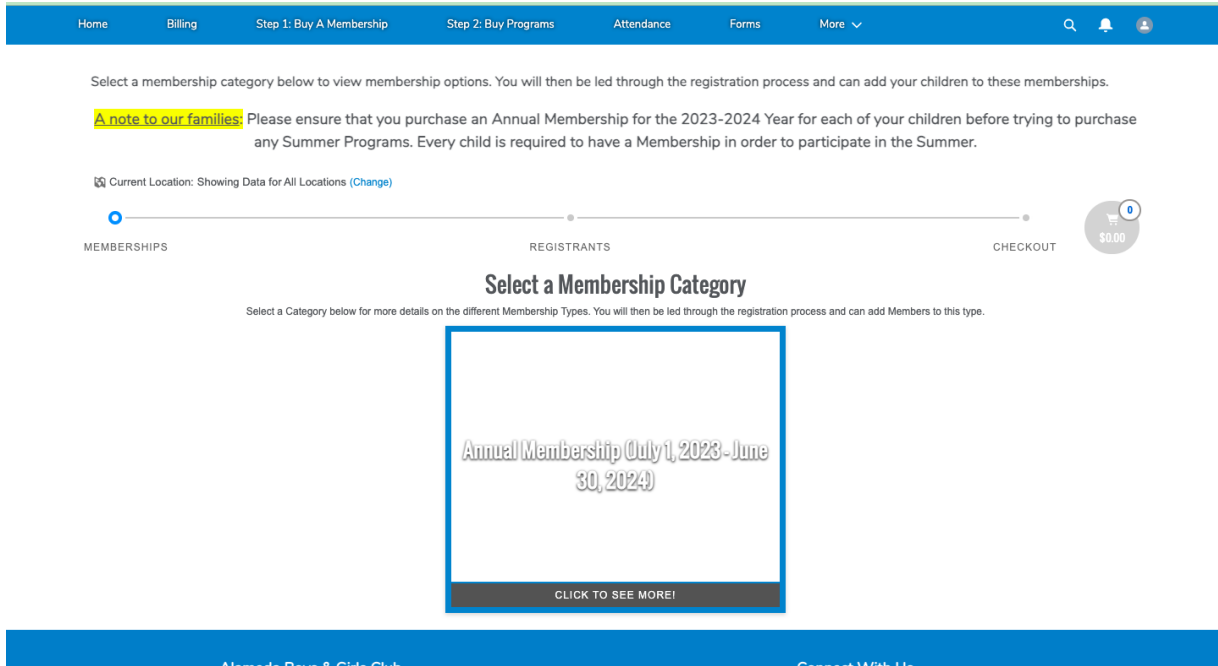

3. A new window will open. Click on the green box that says “Create Account”

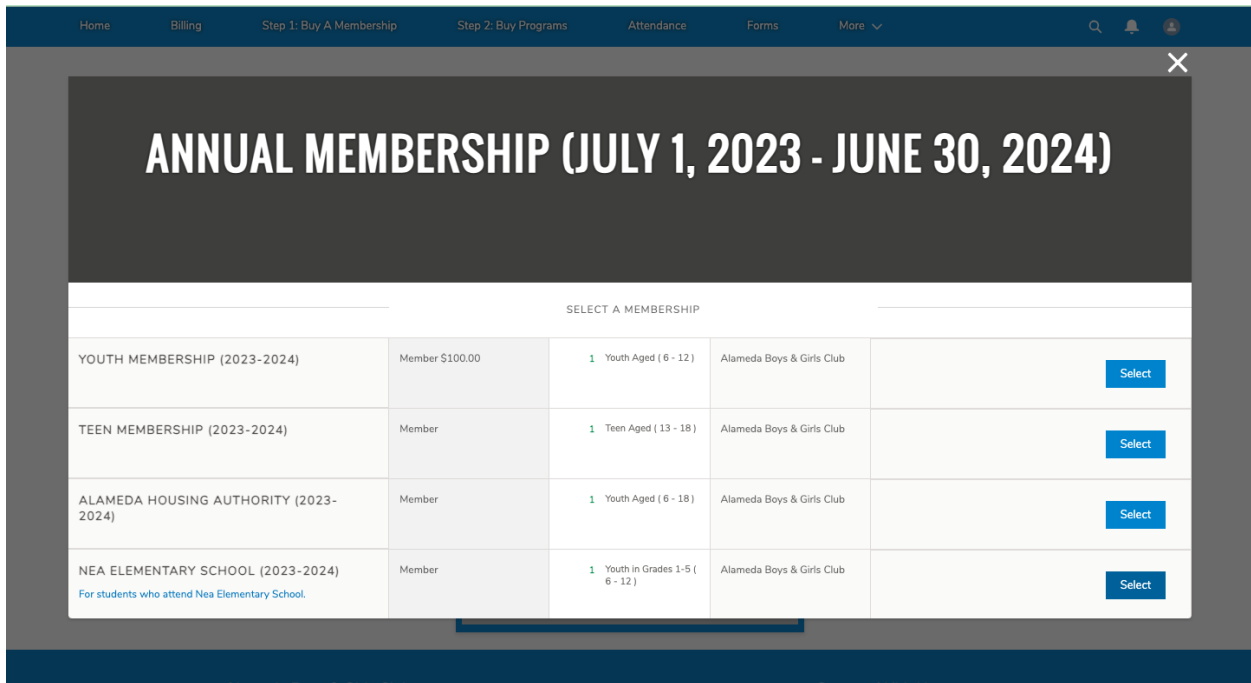

4. Enter the guardian/parents information on the first screen. You will add your child's name on a later screen. If you need help translating the page on Google Chrome, right-click on this page and select "Translate to English." Then click on the three vertical dots, select "choose another language," select your language and click "done."
5. Once you register yourself, the adult guardian/parent, you will be prompted to change your password. Make sure it has at least 8 characters with one letter and one number.
6. Once you have changed your password, on the right hand side of the page will say "Online Registration." Click on "Browse Memberships" underneath.

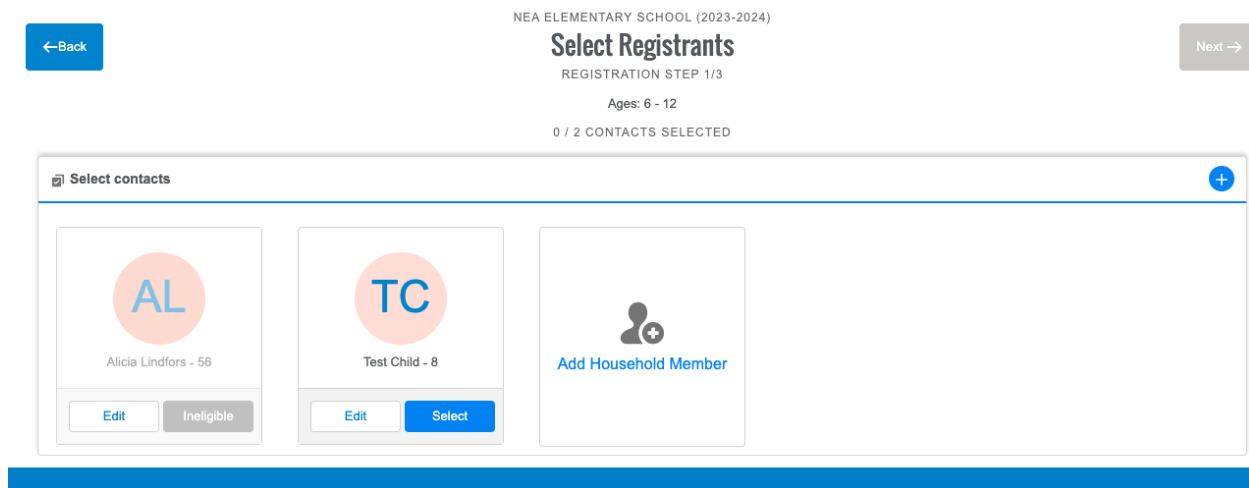

7. Click on “Annual Membership (July 1st 2023-June 30th 2024)”

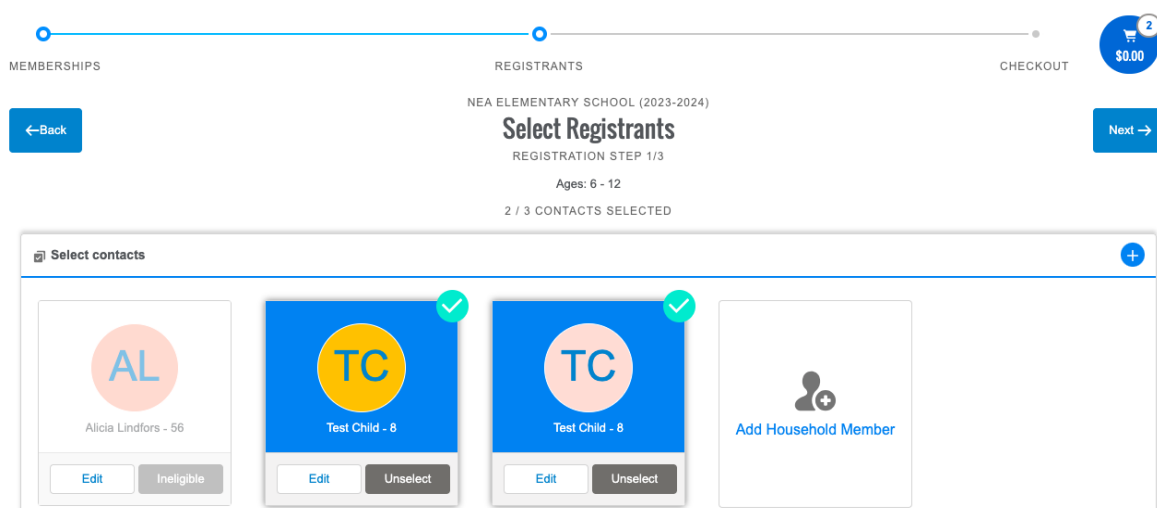

8. Scroll down to the bottom of the drop down menu. Click the “Select” button next to the “Nea Elementary School” option.

- Click “Add Household Member.” Enter your child’s name and birthdate, and press save.

- After you save your child’s information, press “Select” to add them to the Nea membership. Then press, “Next.”

- Enter your child’s personal information, including medical insurance and emergency contacts. Required fields have a red asterick. When finished, click “Next.”

- Click on “sign” to read the “Club Safety” contract and the “Membership Waiver.” Once you have read the documents, click sign again to confirm your signature. You will need to sign both documents per child.

Select a membership category below to view membership options. You will then be led through the registration process and can add your children to these memberships.

A note to our families: Please ensure that you purchase an Annual Membership for the 2023-2024 Year for each of your children before trying to purchase any Summer Programs. Every child is required to have a Membership in order to participate in the Summer.
