

Central Valley High School 2024 Sober Grad

“Sober Grad” is a countywide program sponsored by the California Highway Patrol and the Shasta County Chemical People. These two entities fund all-night graduation parties for our local high schools through the sale of “certificates”.

How would you like to have a TAX deduction that helps save lives and gives you the opportunity to win \$500?

Since inception in 1985, there has not been a fatality on graduation night in Shasta County.

This program works by students and parents selling certificates to family, friends and local businesses.

The certificates are a “Membership”. The purchase price of each certificate is \$100. You may split the certificate among a group of family and friends, or we can do it for you. Partial contributions are greatly appreciated and will buy you part ownership/membership in a certificate. Certificates will be mailed or delivered to you after your cash/check has been received.

Certificate holders will be entered into a drawing for the GRAND PRIZE to be held Friday, April 26, 2024. Second and Third place prizes to be drawn as well. Each participating High School will have a \$100 prize drawing held for a senior that has participated at Sober Grad all night. Each school winner will be eligible to win a GRAND PRIZE.

We are looking forward to having a fun, safe and memorable party for the Class of 2024!! Please help in any way possible, purchase a Certificate and help the Class of 2024 stay safe while they enjoy a well-deserved last hurrah!!

Your donations will help with food, entertainment, prizes and games. If you have any questions, please do not hesitate to call Cathie Haeckel at 530-605-9642, or e-mail: cvhsobergrad@gmail.com.

Sincerely,
Cathie Haeckel
Sober Grad Chairperson
