|              |                                                                                                                                                           |                     |           |                                                |

***Please bring:***

- ***Technology (Ipad, Chromebook, or laptop)***
- ***The 2013 Framework for Teaching Evaluation Instrument(Given to you in the fall)***

***Goals for the Professional Development Day:***

- Understand the structure and the language of the Framework for Teaching
- Know the domains and components of the Framework for Teaching
- Identify the essential characteristics of each of the Framework's levels of performance
- Identify examples of practice that illustrate the domains and components of the framework for teaching
