History of San Gorgonio High School

San Gorgonio High School first opened its doors in 1965 under the leadership of Principal George E. Lucas. Located at the base of the San Bernardino Mountains, San Gorgonio is named after Mt. San Gorgonio, which reaches higher than any other peak in Southern California.

San Gorgonio High School is a comprehensive high school in the San Bernardino City Unified School District. The school motto, "Expect Excellence - Everyone, Everywhere, Every Time," was developed in the 2002-03 school year and is the inspiration toward reaching the highest limits of educational excellence. We are the Spartans and proudly wear Columbian blue, black, and white.

The school gained some notoriety when the 1,600-meter girls' relay team from San Gorgonio High set a U.S. scholastic record in 1979. The summary looked like a typographical error: 3:44.1 (Howard-Howard-Howard-Howard) but neither the remarkable time nor the names were wrong. It was instead a breakthrough by what could be called the first and the fastest family of U.S. women's track—the Howard sisters: Artra (18), Sherri (17), Tina (16), and Denean (15).

Alma Mater

O' San Gorgonio High School,
we raise our song to thee
The mountains standing 'round us,
repeat the melody
The blue of far-flung distance
in which your future stands
The black of strength and boldness,
the white of purity.
Fulfillment of your future lies in us
and with pride
We'll go to higher achievements
in places far and wide.
Our Alma Mater,
to thee our pledge of truest loyalty
And ever upward, onward,
your mem'ry at our side.

School Colors

Blue, black and white are San Gorgonio High School's colors. On occasion, "spirit days" will be held. On these days, students and staff are encouraged to wear school colors to demonstrate pride in the school, to promote spirit and to support athletic teams.

Communications

Students are encouraged to watch and listen to the *Daily Announcements* as they are usually played during the first part of 4th period. Club information, sporting news, scholarship opportunities, information about upcoming activities and other important information will be announced.

Yearbook

The Summit Yearbook is sold throughout the year and is distributed around the last week of school. Ordering information is given out at the new student orientation and open house and announcements are made throughout the school year. Contact our yearbook advisor for more information.

Classroom Passes

Teachers are asked not to issue restroom passes during the first fifteen minutes and last fifteen minutes of class. Students are expected to take care of personal needs before coming to class. Students do have time to use the restrooms during the passing period. Passes to the restroom during class time should only be given for emergencies. It is not unreasonable for teachers to expect a student who makes continual requests to use the restroom to provide a medical excuse. Students who are out of class without a pass will be stopped by security and sent back to class or to the Spartan Engagement Center.

Student Council

San Gorgonio students are eligible to participate in Student Council as class representatives. Student Council is a rewarding experience and helps students develop leadership skills. Student Council members are required to help plan and implement school activities, as well as perform community service. Students may earn credits by successful participation and completion of minimum attendance and scholarship

requirements. Interested students should see the ASB Director. No fifth-year seniors can participate in student council.

ASB Cards

The ASB Card cost is only \$50 (Freshmen receive a special discount price of only \$25) and will return huge savings throughout the school year. All regular season league home and away football, basketball, and wrestling events are free of charge with an ASB Card (savings of \$3-\$9 per game). Admission to the Fall Homecoming dance is free (\$25 savings), and discounts to the following are included: Winter Semi-Formal Dance; Prom; and Grad Nite. Admission to school plays and all ASB sponsored activities will be discounted. Also, athletes purchasing an ASB Card will not have to pay for any patches or letters earned during their season. As you can tell, the ASB Card will more than pay for itself with regular use.

Students can buy their ASB card at the Finance Office or student store.

Campus Clubs

School clubs at San Geronio High School are organized for the purpose of service to the school, the community and personal growth of its members. Students who become involved in club activities will obtain recognition and have the opportunity to develop their leadership potential in a positive atmosphere. Students are encouraged to expand their experiences by joining clubs at San Geronio High School and must have parental permission. Clubs meet at lunchtime and/or after school.

Students interested in joining a club or organization should contact the sponsor of the group or the ASB Director in D-1. It is to your advantage to participate in the organization in which you are interested. New clubs are welcome. If you would like to organize a new club, check with a vice principal to obtain the procedures to follow.

Fundraising on Campus

- Only ASB approved groups may fundraise by selling items on campus
- These groups must gain ASB approval for sales dates
- NO OTHER FOOD OR DRINK SALES MAY OCCUR ON CAMPUS

Make-Up Work

If a student is truant from school, the teacher is not obligated to permit him/her to make-up any work. The final decision is up to the teacher.

A student who misses because of an excused absence, authorized extra-curricular activity or suspension must be given an opportunity to make-up work.

It is the responsibility of the student to take the initiative to request make-up work from his/her teachers. It is not up to the teacher to follow-up on missing assignments due to a student's absence.

Assignments for students who are ill for more than five days may be requested by calling the Counseling Office. Please allow at least 24 hours for the teachers to be contacted and then to respond. A parent/guardian or friend may pick-up the assignments.

Flowers/Balloons

Student may NOT receive flowers, balloons, singing telegrams or similar personal gifts at school because of the disruption of the educational process created by such items.

Infant/Toddler Center

If you are interested in Infant/Toddler Center services, please contact the Child Development Program Office at (909) 388-6307.

Release of Information

When students become 18 years of age, they retain their educational rights. This means that when a student turns 18 years old, information can no longer be released to his/her parent or guardian.

If a student wants to allow his/her parents or guardians access to his/her information, the student must fill out a *Release of Information* form available in the Registrar's Office.

High School Valedictorian/Salutatorian Selection Criteria

Please Note: CLASS RANK DOES NOT DETERMINE VALEDICTORIAN/SALUTATORIAN SELECTION.

Selection Criteria:

In order to qualify as Valedictorian or Salutatorian, a student in the San Bernardino City Unified School District must:

- Be selected for this honor based on the agreed upon district-wide selection criteria
- Have completed 7 semesters of high school based on a four-year high school program
- Qualify as one of the top 15-20 students with the highest grade-point average ("weighted" grades from "honors," "MYP", "International Baccalaureate" and "Advanced Placement" courses, and/or concurrent UC/CSU transferable college courses increase grade-point averages)
- Complete all SBCUSD graduation requirements
- Complete the final (8th) semester at the school from which he/she has been selected as Valedictorian/Salutatorian

NOTE: A student who wishes to accelerate studies and graduate earlier than his/her designated class will not be considered for Valedictorian or Salutatorian of either class. He/she will, however, be eligible to compete for scholarships and participate in all senior activities including the graduation ceremonies with the "graduating" class.

Procedure for Selection:

The following guidelines will be used for selection of courses to be used in the computation of the point total and grade point average for the selection of valedictorians and salutatorians:

1. Grades for 42 classes (6 courses each semester for 7 semesters/grades 9, 10, 11, and the first semester of 12th) to meet the graduation requirements of the San Bernardino City Unified School District including:

English	(7 semesters)	Math	(6 semesters)
History/Social Science	(5 semesters)	Science	(6 semesters)
Physical Education	(4 semesters)	Fine Arts or Foreign	(2 semesters)
Electives	(12 semesters)	Language	

NOTE: Electives may include such courses as, but not limited to, band, journalism, student government, yearbook, additional classes in math, science, foreign language and visual and performing arts, college courses taken while enrolled in high school, and courses taken to meet the Career Development requirement. *If a student takes geography, those courses should be included in the electives section.

2. Courses to fulfill the Career Development requirement may be completed during the 8th semester.
3. Grades for college classes that meet the IGETC (Intersegmental General Education Transfer Curriculum) requirements, and are transferable to any UC or CSU campus, will be counted on a 5-point (weighted) scale as would an Honors/AP/IB class. College vocational and lower division/remedial classes will count on a 4-point grading scale.

Procedures for Calculating Selection of Valedictorian/Salutatorian:

1. Using the weighted, overall grade point average list, identify the top fifteen to twenty seniors.
2. Complete a form for each student, designating the course and grade earned for each of the 42 required courses, and indicating whether or not the grade is "weighted." (Regular courses = 4 point "A", etc.; Weighted for Honors/AP/IB/College IGETC courses = 5 point "A", etc.)
3. Calculate by adding each grade value, multiply by weight value, then divide the total by 42.
4. The student with the highest point total shall be selected Valedictorian. In case of numerical tie, more than one valedictorian shall be declared.
5. The student(s) with the next highest point total shall be selected Salutatorian(s). In case of numerical tie more than one salutatorian shall be declared. Principal discretion may be used to include a student or students who score very closely behind the valedictorian before a "gap." For example, if a valedictorian scored 4.68, and the next scores were 4.46, 4.42, 4.38, and 4.0, the Principal may select two salutatorians or possibly 3, but because of the "gap," not the fourth.
6. All scoring must be accurate and confidential, and completed worksheets must be given to the principal.
