BUS ROUTING – (2015-16)

Grade _____
Teacher _____

Dear Parents;

The routing of students is done long before students enter school in September. Due to the number of students and routing difficulties involved, we can allow only **one babysitting site** other than home. Students may not take buses other than their home bus route, or pre-assigned babysitter's route. Changing bus routes for parties, or going to a friend's house after school, or more than one baby sitter will not be allowed. In case of emergency, we will do our best to accommodate a request. We can honor requests to go home on the same bus routes if, a note is provided by the parent. This does not replace a bus note.

(Please use Black /Blue pen only.)
