

Notus School District No. 135

INSTRUCTION

2450

Contracted Student Services

The Board of Trustees hereby delegates to the building principals the authority to enter into agreements for student services, but requires District approval of such contracts. The reason for District approval is that District Administration has no control over excess spending if contracts are signed at the building level without the District's approval.

Special Education

It is the intent of the District to provide services required by student's Individualized Educational Programs (IEPs) and develop resources within the district to eliminate the need for outside sources for special education services.
