

Political Activity - Staff Participation

The Board recognizes its individual employees' rights of citizenship, including, but not limited to, engaging in political activities. An employee of the District may seek an elective office, provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available.

No person may attempt to coerce, command or require a public employee to support or oppose any political committee, the nomination or election of any person to public office, or the passage of a ballot issue.

No district employee may solicit support for, or opposition to, any political committee, the nomination or election of any person to public office, or the passage of a ballot issue while on the job or at his place of employment. However, nothing in this section is intended to restrict the right of a District employee to express his personal political views.

No district employee may use public facilities, equipment, including, but not limited to, telephones, fax machines, copy machines, computers, e-mail, etc., or supplies, including, but not limited to, paper clips, staples, pens, pencils, paper, envelopes, tape, etc., that are purchased with public funds for election or political campaigns, private or charitable organizations or foundations or ballot issues.

No district employee may work on election, political campaigns, ballot issues or issues dealing with private or charitable organizations or foundations during the time that they are also working for the school district.
