## MDUSD School Community Spotlight

Students and families at Valle Verde and Walnut Acres elementary schools and Mt. Diablo and College Park high schools are giving back to the community this holiday season!

 @vvesvikings

A huge THANK YOU to all who participated in the annual VVE Adopt-a-Family drive! The VVE (current and alum) community was able to provide 5-8 gifts per person to a total of 14 ppl across 2 families!! When I dropped off the gifts to Brighter Beginnings in Oakland today, the staff were blown away - some nearly in tears! Thank you so much to everyone.

This year we adopted a family from within our own MDUSD community for Christmas 🌿

'Tis the season of GIVING! This week drop off your NEW & (very) gently used toys, books, & games to @WalnutAcres! Our annual toy drive benefits the #students of @MTDiabloUSD Shore Acres! 🎁📖🎮 Giving back to our own community is one of my favorite aspects of WAES! #Christmas2023

 College Park HS  
@CPHSfalcons

The College Park JSU (Jewish Student Union) organized an event to paint fence planks to surround a tiny home village in which unsheltered people will live. On the planks, students wrote messages, drew pictures and added inspirational quotes. #community
