Dear Parents, Alumni, and Friends of Dwight,

Welcome to the 2022-23 Annual Report! Though we have already made our way through three months of a new school year, we can collectively take stock of the year before. And what a year it was—Dwight’s 150th! As I think back on this banner year, I’m reminded of how grateful I am to be part of such a giving community—in every sense of the word.

Once again, our community came together to raise much-needed funds. This year’s Annual Fund came in at more than **\$1.4 million!** Our community came together to raise spirits as well, through events such as the Volunteer Appreciation Cocktail Reception, Alumni Reunion, and Spring Benefit—which raised an additional **\$500,000.**

Our community was also very giving of their time, volunteering for Dwight. I’d especially like to highlight those who lent their expertise and insight to the Board of Trustees, Alumni Council, and so many committees. I thank all of our volunteers, Trustees, and council and committee members for their tireless efforts.

Thank you to everyone for *everything* you do. It is always such a pleasure to work with all of you in support of our wonderful School and students.

Warmly,

Susan Kessler (Stephen ’10, William ’14)
Board Chair, The Dwight School Foundation

Dear Dwight Community and Friends,

It was wonderful to see our historic School more committed than ever to supporting its students in its 150th year. As we came together to honor the school’s history in this watershed year — at events like the Alumni Reunion and Spring Benefit, in particular — it was wonderful to see the outpouring of support and love for our School.

Your financial support allowed the Foundation to award **\$1.4 million toward the overall Financial Aid budget,** assuring that Dwight continues to provide students with an exceptional education regardless of their financial means. Over **120 professional development grants** were awarded to faculty, strengthening the craft of our dedicated teachers. Our **Spark Tank** has grown to include more students and a variety of projects, with multiple students developing their own businesses and nonprofits through Dwight’s incubator.

Our community contributed more than financial support. Hundreds of parents, alumni, and alumni parents offered up an even more valuable commodity: their time. So we would like to take a moment to thank our many volunteers, whose work has added so much value to the Dwight experience for our students, parents, and alumni.

This Report shows the continued strength of our School 150 years into its history. We look forward to our next milestones, onwards and upwards!

Best regards,

Stephen Spahn Blake Spahn Dianne Drew
Chancellor Vice Chancellor Head of School

Spark Tank, Dwight's incubator for K-12 students, is deeply aligned with the School's mission to ignite the spark of genius in every child — and part of what makes a Dwight education so unique. Through the Spark Tank program, students are empowered to learn how they can make a difference and help build a better world through entrepreneurship, innovation, leadership, and service.

This year, The Dwight School Foundation awarded innovation grants to three students developing their own businesses and nonprofits, joining 100 students who have participated in the Spark Tank program since its founding.

FINANCIAL AID

Thanks in part to funds donated to the Spark 21 Campaign, the Foundation awarded \$1.4 million in student financial aid in the 2022-23 academic year.

PROGRAMMING

Through Foundation funding, the WILD (Wilderness Instruction and Leadership Development) program, an innovative outdoor initiative, continued to foster community, build leadership skills, and help ensure that Dwight students can thrive in any environment.

The Foundation underwrote an Entrepreneur in Residence to impart cutting-edge skills and experience to our faculty and students. This role also supported our first-ever Dwight Schools Global Sparkathon, a weekend-long design competition in which students in grades 6-12 competed in teams against students from other Dwight Schools around the world. In collaboration with the Ocean Conservancy, students were challenged to develop innovative ways to clean up and remove plastic pollution from our oceans and educate the public about the causes of – and urgently needed solutions for – the plastic pollution crisis.

The Annual Fund is our main fundraising initiative and supports student financial aid, faculty professional development, and Spark Tank innovation grants.

International Society

The International Society recognizes those who have made leadership gifts to the 2022-23 Annual Fund of \$1,872 or more. The amount of \$1,872 signifies the year Dwight was founded.

Senior Gift

Grade 12 families direct their Annual Fund donations to a specific purpose or part of the School to be dedicated in their honor. The Class of 2022 directed their gift to name plaques on a stairwell at Dwight's Main Campus, and the Class of 2023 named the new cafeteria. This naming tradition will serve as a lasting legacy and source of pride for alumni, especially when they return to campus.

Spring Benefit

At our 2023 Spring Benefit, we celebrated Dwight's 150th anniversary with over 300 members of our community. The evening included a spectacular auction, dinner and dancing, and a live fundraising appeal and raised \$500,000 in support of student financial aid, faculty professional development, and Spark Tank innovation grants.

We also heard from Joshua Kigel, Director of Quest and Special Studies, about Dwight's commitment to personalized learning and the impact of professional development on his team; and students Lily Ventura '23 and Layla Purovic '23. Lily sang a beautiful rendition of "All That Matters" from *Finding Neverland*, and Layla spoke about her invaluable experiences since 8th grade and what she believes sets the Dwight community apart.

We are incredibly grateful to our Spring Benefit Co-Chairs, Darly Corniel, Aileen Bruner, and Geidy Perez-Storch, and to the entire committee. We are also grateful to our donors, guests, and volunteers for their participation and generosity.

GIFTS OF APPRECIATED SECURITIES/STOCK

A gift of appreciated stock, which has been held for more than one year, allows you to avoid the capital gains tax on the appreciation. It also qualifies you for an income tax charitable deduction based on the fair-market value of the stock on the date that you make the gift. Please contact Moira Price at 646.400.0314 or mprice@dwight.edu to make a gift in this way.

MATCHING GIFTS

You may be able to double or triple your gift! If your company is eligible, request a matching gift form from your employer and send it (completed and signed) with your gift to The Dwight School Foundation. Please contact Moira Price at 646.400.0314 or mprice@dwight.edu if you have any questions.
