

**Let's talk about what
Mrs. Leighty expects
when you come to
science class.....**

What is the first thing you are expected to do when you enter 215?

Pick up any papers on the way in and get started working on Word of the Day.

Look for any other directions on the front board.

What should I do if I'm absent?

All papers are at the corner desk, along with papers marked with page numbers for your NB

Check the trays for the day (Monday, Tuesday, Wednesday, Thursday, or Friday) you were absent

There is probably MULTIPLE papers for each day

Copy answers from #1 a friend in class or homeroom or #2 Mrs. Leighty's notebook

What should I do if I'm absent?

CONTINUED

Also, check the board for word of the day. IF YOU ARE ABSENT ON THURSDAY, you are expected to write a paragraph using the words for the week.

You may NOT write AB in any of the Word of the Day activities. You are expected to complete them!

“Mrs. Leighty I’m really behind and lost what can I do?”

COME SEE ME DURING ACTIVITIES PERIOD!

Bring all your science stuff with you!

If I’m not here, use the papers marked with page numbers and see what papers you may be missing!

Other classroom expectations

Baskets are NOT trash bins, they are for supplies for you.

Take care of YOUR supplies. If something runs out, replace it. If something doesn't work, get a new one.

Clean up after yourselves. I might be your school mom but I'm not cleanin' up your mess!

Other classroom expectations

No one is going to the bathroom during warm ups anymore. If you need to go, show what you completed for word of the day.

CORE 3, you guys aren't going for the majority of the class, please go during lunch.

Unprepared?

Students will no longer be allowed to go to lockers for forgetting their NB. Put your work in a safe place and mark the PG # on the back and put it into your notebook on your OWN time.
