

First Grade Students and Parents:

Since we won't be together again to finish our first grade music classes, here are links to finish your Peter and the Wolf coloring pages at home. You need to listen to the music so you know which color to use on each item. The themes are short, so you'll have to listen to them several times to get all of the answers. I included the ones we did in class too so you can go back and enjoy them again. I have also posted this on my website to make it easier to click on them. <https://www.casdonline.org/Page/17817> and select Home Enrichment Activities.

Have a great summer!

Miss West
