

Kindergarten Students and Parents:

Since we won't be together again to finish our Kindergarten music classes, here are links to finish your Carnival of the Animals coloring packets at home. You can color the picture while you listen to the music the composer wrote to help you imagine that animal. I included the ones we did in class too so you can go back and enjoy them again. I have also posted this on my website to make it easier to click on them. <https://www.casdonline.org/Page/17817> and select Home Enrichment Activities.

Have a great summer!

Miss West
