## Chapter Book Report

Oral Presentation: January 17th, 2024

Students will present a summary of a chapter book they've chosen! Genre choices include: fantasy fiction, realistic fiction, historical fiction, poetry, nonfiction, and traditional fiction. Please note: graphic novels will not be accepted for this project.

Students must complete the 'Book Review' and a 'Letter to the Author' that is attached. Students will be expected to present about their book to the class. They must go into detail about characters, their traits, the setting, climax and resolution. Also, if you feel a personal connection to the story or gained a different perspective from a character.

We would love to see students use the skills we have been learning about in class such as figuring out the theme, main ideas, key details, and the authors purpose.

Teachers and peers should be able to see that the presenter has put in effort into this project. If 'Book Review' sheet does not provide an adequate amount of space, feel free to type your responses on another sheet of paper and attach it to the 'Book Review' sheet.
